ARTICLE 2 - PSYCHIATRIC TECHNICIAN PROVISIONS

2.1 Professional Recognition and Rights

A. Preamble

The State of California recognizes the important contribution of the profession of Psychiatric Technicians and further recognizes them as an integral part of level of care services provided to the clients in the facilities operated by the Departments of State Hospitals, Developmental Services, Corrections and Rehabilitation and California Correctional Health Care Services. The State of California recognizes and encourages the efforts of Psychiatric Technicians to

promote and maintain the professional standing of the Psychiatric Technician classification.

The State is committed to providing a safe and secure work place where all employees, regardless of their classification or pay status, are treated by supervisors and managers in a manner that maintains a generally accepted standard of human dignity and courtesy. Employees alleging they have not been treated accordingly may process a grievance up to the CalHR level of the grievance process, but shall not be subject to the arbitration procedure of this MOU.

B. Rights

1. A Unit 18 employee, upon request, shall be entitled to have a CAPT representative or represent himself/herself at Skelly proceedings and formal disciplinary hearings held before the State Personnel Board.
2. The State shall grant a total of four (4) days per fiscal year of State paid release time for two CAPT representatives to participate on the Licensing Advisory Board.
3. Disciplinary representation will be administered as follows:
 - a. Prior to the start of an investigatory interview, an employee shall be informed in writing, 24-hours in advance, of the subject of the interview and if he/she may be subject to disciplinary or criminal action. The employee will be given an opportunity to secure the representative of his/her choice within 24 hours so as not to impede or alter the timeline of the investigation. If, during the course of an interview, should the focus of an investigation change to include the employee being interviewed, the employee will be so informed and, if requested by the employee, shall be allowed to obtain CAPT representation within 24 hours.

An investigation shall be concluded within 75 calendar days from the date an employee who is subject of an investigation is interviewed by the special investigator or 75 days from the date that the employee received notice of an administrative leave or reassignment, whichever date comes first.

If there are no findings in the investigation, the employee shall be returned to work within 15 calendar days in accordance with departmental policy/procedure. If there are findings, management shall make a determination on the investigator's findings and notify the employee in writing of their decision (e.g., discipline, return to work, training, limited duty) within 30 calendar days of the receipt of the investigator's report.

If the investigation is not concluded within 75 calendar days from the date an employee who is the subject of the investigation is interviewed by the

special investigator, or 75 days from the date that the employee has received notice of administrative leave or reassignment, or management fails to provide notice to the employee within the time period stated above, the employee who is the subject of the investigation or CAPT may file a grievance with the Executive Director, Chief Executive Officer, Superintendent or designee. The response shall include the anticipated completion date of the investigation. If the investigation is not completed by the time frame contained in the grievance response from the Executive Director, Chief Executive Officer, Superintendent or designee, the matter may be appealed through the grievance process up to the CalHR level. This shall be the final level of review and is not subject to arbitration.

For any grievance filed based on this Section, the response given at the director's level shall be final and the grievance may not be appealed further in the grievance and arbitration procedure.

An employee shall be given advance written notice that he/she is being administratively transferred or placed on administrative leave, during the investigation of an allegation of wrongdoing.

The notice shall inform the employee of the reason for the administrative transfer or leave and the effective date.

- b. Upon request, an employee shall be accompanied by an Association representative at a meeting held with a significant purpose to investigate facts to support adverse action pursuant to Robinson v. State Personnel Board, the U.S. Supreme Court case in NLRB v. Weingarten, and final cases interpreting these decisions. "Adverse action" shall be defined as dismissal, demotion, reduction of pay, suspension without pay, a formal letter of reprimand or other adverse action as defined by the State Personnel Board.

Upon request, employees shall be allowed representation for meetings and investigations, as defined in this Section, with investigators employed by the Department of Health Services and investigators representing the Board of Vocational Nursing and Psychiatric Technicians.

- c. At the request of the employee, representation shall be permitted at counseling sessions when:
 - (1) The result of the counseling session is reduced to writing; and
 - (2) The resulting corrective counseling memorandum is included in the employee's official personnel file; and
 - (3) The corrective counseling memorandum refers to disciplinary action.

- d. Corrective counseling memorandums, including but not limited to counseling memos, letters of instruction (LOIs), work improvement discussions (WIDs), or letters of expectation (LOE) meeting the above criteria may be appealed through the grievance procedure up to the department level. Corrective counseling memoranda are part of the progressive disciplinary process. Corrective counseling memoranda may be used in adverse actions to demonstrate that an employee had been on notice of a departmental policy or expectation. Departments shall utilize, as a reference, the supervisors guide to address employee performance on the CalHR website. For performance-based offenses, a verbal counseling usually occurs before a corrective counseling memorandum in regards to the same type of offense. For misconduct-based performances, a verbal counseling should usually occur before a corrective counseling memorandum in regards to the same type of offense.
- e. Every corrective counseling memorandum shall be written by the employee's supervisor and shall refer to a specific incident or incidents. When appropriate because of direct involvement, the corrective counseling memorandum may be written by other than the employee's supervisor. For issues not involving a formal investigation, the corrective counseling memorandum shall be issued to the employee within thirty (30) calendar days of the incident described in the memo, or from the date of discovery of the incident. Departments may mail the memorandum to meet the thirty (30) calendar day requirement. It must be postmarked within the 30 calendar days. Proof of service is acceptable. Upon request of the employee, a meeting in regards to the memorandum must still be held with the issuing supervisor. Employees shall have the right to attach a rebuttal to any corrective counseling memorandum at any time, and the rebuttal shall be attached to and accompany the memorandum.
- f. The Association will provide a representative within a reasonable time based on the circumstances of the meeting.
- g. When formal adverse action is taken against an employee for an alleged offense that requires the State to report to the BVNPT or the Department of Public Health, no such report shall be made until after the conclusion of the Skelly hearing. After the conclusion of the Skelly hearing, the State may report to the BVNPT or the Department of Public Health the nature of the adverse action taken against the employee.
- h. If an employee is the subject of an investigation by the special investigator, which can result in disciplinary action, and there is insufficient evidence to take disciplinary action, the employee shall be so informed in writing by the Executive Director, Warden, Superintendent or designee of the facility conducting the investigation within 30 calendar days. This provision shall be subject to the complaint procedure.

- i. A dismissed employee whom the SPB or court later clears of any wrongdoing shall be reinstated to work in accordance with the following provisions. If the returning employee held a Post and Bid position, they shall be returned to that successfully held position. If that employee chooses not to return to the Post and Bid position they shall select from any available Post and Bid position. An employee who successfully bid for that position in the returning employee's absence shall vacate that position and shall select from any vacant Post and Bid position. Employees not holding Post and Bid positions shall be offered an available position on the shift they previously worked. Should management determine return of the employee to the previously held position would not be in the best interest of the employee, other employees, or the patients of the unit, the returning employee shall receive written notification. The written notification must include the reason(s) that the employee will not be returned to their position. Employees will not be unreasonably prohibited from returning to their Post and Bid position. If an employee is removed, the employee may choose to be placed into any open Post and Bid position. Until the employee selects an open Post and Bid position, the employee shall be placed in a position on a shift of the employee's choice. Nothing in this Subsection shall be counted according to Article 9.2 (Post and Bid).
4. An employee and/or employer must be advised, in advance, that an investigatory interview will be tape recorded. In the event the department does not allow the employee or their representative to record the employee's investigatory interview, at the request of the employee a copy of the tape will be provided.
5. No Unit 18 employee shall be directed to make any statement or admission of guilt to be used in a disciplinary proceeding without the opportunity to review the matter with an Association representative, upon the request of the employee.
6. No Unit 18 employee shall be required to take a polygraph examination in connection with any formal disciplinary action.
7. When formal adverse action is taken against an employee, the employee shall be given a copy of all documents and other investigating materials that were used to formulate the adverse action.
8. Upon service of a subpoena on an employee to testify at an arbitration, State Personnel Board (SPB), Public Employment Relations Board (PERB) or legislative hearing, or a judicial proceeding, the State shall release the subpoenaed employee without loss of compensation for such time as is required to comply with the subpoena. The State shall release an employee who is a party in a proceeding for a reasonable amount of time without loss of compensation for the purpose of attending any court hearing in connection with their case. If that hearing takes place outside the employee's scheduled

work hours, they still shall be granted a reasonable amount of time off without loss of compensation from their scheduled work hours.

C. Grievance or appeals of this provision:

During the term of this agreement, alleged violations of Section 2.1, Subsection B, paragraphs (2), (3), and (8) shall be processed through the grievance and arbitration procedure contained in this Agreement unless otherwise stated.

Alleged violations of Section 2.1, Subsection B, paragraphs (1), (4), (5), (6), and (7) may not be processed through the grievance and arbitration provisions of this Agreement, but instead shall be raised, if at all, in any disciplinary appeal or other proceedings authorized by law.

Section 2.1, Subsection A (Preamble) is subject to the grievance process up to the CalHR level, but shall not be subject to the arbitration procedure of this MOU. Nothing herein shall be construed as a waiver of any other right currently enjoyed either by the Association, State or employees in Unit 18.

D. During any phase of the representation process as defined within, an additional

CAPT representative may be present for training purposes only and act only as an observer. In no way shall an observer interfere or delay the representation process. The observer shall request to use any accrued leave credits, excluding sick leave, to attend during their regular schedule work shift. The approval will be based on operational needs.

2.2 Psychiatric Technician Career Ladder

- A. The State and the Association recognize the importance of career development and a career ladder on recruitment, retention and the morale of Bargaining Unit 18 employees.
- B. A series of classes within the bargaining unit exists which allows progression from entry-level classifications such as Psychiatric Technician Training Candidate, Psychiatric Technician Student, Psychiatric Technician Apprentice and Psychiatric Technician Assistant through Senior Psychiatric Technician. This career ladder extends beyond the bargaining unit through supervisory and managerial positions.
- C. The employer may sponsor an employee in Bargaining Unit 18 while he/she is engaged in training that leads to eligibility for licensure in one of the level-of-care classifications.
 - 1. A sponsored employee is an employee who is selected by the employer to participate in a career training program.

2. By necessity, a sponsored employee works irregular hours for an agreed upon salary while voluntarily attending an educational institution in preparation for licensure.
3. While on sponsorship status, the employee is guaranteed a weekly salary (paid bi-monthly) regardless of hours worked. Hours worked are determined by the employer, based on the employee's academic schedule, whether or not school is in session, and the operational needs of the facility.
4. The regular hourly rate of pay of a sponsored employee is calculated by dividing the number of hours in the agreed upon time base into the salary specified in the State of California pay scales for the class at that time base. In no case will this hourly rate be less than minimum wage. This regular hourly rate will be paid for all hours up to the number specified in the time base worked in any work week. A rate of 1½ times the regular rate of pay will be paid for all hours worked in excess of 40 in any workweek. The fixed salary, based on the time base of employment, is guaranteed to the employee in any work week in which he/she performs any work. For those sponsored on less than full time base sponsorship status, if the employee works beyond the number of hours indicated by the time base, he/she will be paid the regular hourly rate of pay for any hours worked above the sponsorship time base up to 40 hours and 1½ times the regular rate of pay for all hours in excess of 40 hours. (See Appendix D for examples.)
5. (a) Time spent in classroom activities and clinical lab time at sites other than the sponsoring facility is not counted as hours worked as it provides no direct benefit to the sponsoring facility.

(b) Compensation for clinical lab time performed at the sponsorship site is included in the guaranteed salary. Such clinical lab time, scheduled and worked, is included in the determination of the employee's eligibility for overtime payment.
6. Sponsored employees will be provided a sponsorship contract and guidelines prior to entrance into the sponsorship relationship. (See Appendix E for model contract.)
7. Sponsored employees are expected, upon attainment of licensure, to work at the sponsoring site for at least the length of the sponsorship.

2.3 Professional Practice Groups (PPGs)

- A. The purpose of professional practice groups is to provide an orderly process through which Psychiatric Technicians may participate regularly as a group to:
 1. Establish, maintain and improve the standard of nursing care within the scope of the Psychiatric Technician license.

2. Function as a central group to assist in:
 - (a) Maintaining competence in nursing practices within the scope of the Psychiatric Technician license,
 - (b) Increasing the competence of Psychiatric Technicians by exposure to new skills, trends and developments of practice for developmentally disabled clients and mentally disabled patients, and
 - (c) Recognizing and accepting responsibility for recommending improvements in practices that will enhance client/patient care.
 3. Participate actively in efforts to define and upgrade the standards of practice, education, orientation, ethics, conduct and achievement as required by the appropriate licensing board.
 4. Serve as a centralized group for receiving individual or group concerns pertaining to nursing practices within the scope of the Psychiatric Technician license and channeling this input for study evaluation and consideration.
 5. Improve communications between members of the Psychiatric Technician discipline, related treatment/health care disciplines, and management and supervisors regarding new trends and changes in the field, such as a result of legislation, science or new applications and interpretation of existing laws.
- B. The size, composition and frequency of meetings for Psychiatric Technician PPGs shall be determined by facility management, which may include multidisciplinary Professional Practice Groups. Meetings of any PPGs shall be open and other employees may attend on their own time or on State time with his/her supervisor's approval. The selection process for the PPGs shall include an election of representative rank-and-file licensed Psychiatric Technicians and may also include direct appointments by management. Prior approval of agendas may be required. Each Professional Practice Group may elect officers and publish agendas in advance. No Chapter Officer may serve as an elected officer. Each Professional Practice Group shall prepare minutes and provide a copy to management and the CAPT Chapter Executive Committee. Upon request, facility management shall be entitled to review the minutes prior to distribution.
- C. Professional Practice Groups shall be able to use State facilities, clerical support and mail systems consistent with current practices, workload and other facility priorities. Psychiatric Technicians participating in Professional Practice Groups shall suffer no loss of compensation and shall receive no overtime as a result of attendance at any Professional Practice Group meeting or assignments made by a Professional Practice Group.
- D. Professional Practice Groups may submit recommendations to facility management. It is understood by both parties that effective two-way

communications improve morale and productivity. Upon request, a copy will be provided to the CAPT Chapter Executive Committee.

- E. The Professional Practice Group shall not be for the purpose of meeting and conferring on any subject, nor for discussing a subject of any grievance or complaint. No Professional Practice Group communications, written or oral, may occur with any agency or organization other than the facility management without prior approval of the facility director or designee.
- F. It is understood that it is the responsibility of the Psychiatric Technicians themselves to form and organize the Professional Practices Group.
- G. This provision shall not be subject to the Grievance and Arbitration Article of this Agreement.
- H. Each chairperson of a facility Professional Practice Group may, upon request, be placed on a work schedule that allows up to 20 hours per week to perform PPG functions.

ARTICLE 3 - MANAGEMENT RIGHTS

- A. All the functions, rights, powers and authority which the employer has not specifically bridged, delegated or modified by this Agreement are recognized by the Association as being retained by the State employer.
- B. This Agreement is not intended to, nor may it be construed to, contravene the spirit or intent of the merit principle in State employment, nor to limit the entitlements of State Civil Service employees provided by Article VII of the State Constitution or bylaws and rules enacted thereto.

ARTICLE 4 - WAGES

4.1 Salary Definitions

For the purpose of salary actions affecting employees assigned to Bargaining Unit 18, the following definitions shall apply:

- A. "Salary range" is the range of rates between, and including, the minimum and maximum rate currently authorized for the class.
- B. "Step" for employees compensated on a monthly basis is a 5 percent differential above or below a salary rate rounded to the nearest dollar and for employees compensated on a daily or hourly basis is a 5 percent differential above or below a rate rounded to the nearest dollar and cents amount. One step higher is calculated by multiplying the rate by 1.05 (e.g., \$2,300 x 1.05 = \$2,415). One step lower is calculated by dividing the rate by 1.05 (e.g., \$2,415 / 1.05 = \$2,300).

- C. "Rate" for employees compensated on a monthly basis is any one of the full dollar amounts found within the salary range and for employees compensated on a daily or hourly basis is any one of the dollar and cents amounts found within the salary range.
- D. "Range differential" is the difference between the maximum rate of two salary ranges.
- E. "Substantially the same salary range" is a salary range with the maximum salary rate less than two steps higher than or the same as the maximum salary rate of another salary range.
- F. "Higher salary range" is a salary range with the maximum salary rate at least two steps higher than the maximum salary rate of another salary range.
- G. "Lower salary range" is a salary range with the maximum salary rate any amount less than the maximum salary rate of another salary range. Unless otherwise provided by the State Personnel Board, the lowest salary range currently authorized for the class is used to make salary comparisons between classes except for deep classes. Any rate falling within the salary range for a class may be used to accomplish appropriate step differentials in movements between classes and salary ranges.

4.2 Adjusted Pay Ranges

- A. Effective July 1, 2016 all eligible CAPT represented classifications shall receive a General Salary Increase (GSI) of 3%.

Effective July 1, 2017 all eligible CAPT represented classifications shall receive a General Salary Increase (GSI) of 3%.

Effective July 1, 2018 all eligible CAPT represented classifications shall receive a General Salary Increase (GSI) of 3%.

All employees shall retain their current merit anniversary date.

- 1. Eligible employee means an employee of a recognized collective bargaining unit that has a ratified collective bargaining agreement containing these provisions.

- B. Effective the month following agreement, Psychiatric Technician Instructors shall receive an SSA of 5%.

Effective the month following agreement, Senior Psychiatric Technicians and Senior Psychiatric Technicians (Safety) shall receive an SSA of 1%.

4.3 Ranges

- A. Psychiatric Technicians and Senior Psychiatric Technicians who provide proof of appropriate credit and meet performance eligibility criteria as required by the Department of State Hospitals, the Department of Developmental Services and the Department of Corrections and Rehabilitation Range B/C, and CCHCS eligibility policy dated September 20, 1988, shall be appointed to the alternate ranges as specified below. Such appointments shall not be unreasonably denied.

1. Range B, Q and T

Employees at Range A, P or S who complete the equivalent of 15 qualifying semester units of job-related courses from an accredited college or university.

2. Range C, R or U

Employees at Range B, Q or T who complete the equivalent of 15 additional qualifying semester units of job-related courses from an accredited college or university.

- B. Courses completed within ten (10) years prior to application shall be accepted for qualification to the alternate range. For courses completed more than ten (10) years prior to application, exceptions may be granted by each facility on a course-by-course basis. The Section of this provision governing exceptions can be appealed up to the third (3rd) level of the grievance process. Applicable courses taken prior to acceptance into a BVNPT certified Psychiatric Technician program shall be accepted for qualification to the alternate range.
- C. An application for alternate range shall be acted upon by the designated committee within thirty (30) calendar days from the date the application is submitted.

4.4 Merit Salary Adjustments

- A. The State employer agrees that for the life of this Agreement, employees shall receive their annual salary adjustments in accordance with Government Code section 19832 and applicable California Department of Human Resources rules. Government Code section 19832 is as follows: After completion of the first year in a position, each employee shall receive a merit salary adjustment equivalent to one of such intermediate steps during each year when he/she meets such standards of efficiency as the department by rule shall prescribe.
- B. Within 30 days prior to an anniversary for a Merit Salary Adjustment (MSA), an employee may request in writing to his/her immediate supervisor the likelihood

that an MSA will be granted. A supervisor's affirmative response does not guarantee the granting of an MSA.

- C. If the employee's supervisor indicates that the MSA may be denied, the supervisor will identify in writing areas where improvement is needed and provide a plan of correction not to exceed ninety (90) days in duration. The MSA shall be granted upon satisfactory completion of the plan. Failure to satisfactorily complete the plan may result in additional plans being issued or the denial of the MSA until the next scheduled anniversary date.
- D. If the employee meets the expectation outlined in management's plan of correction, the employee shall be granted the MSA.
- E. The State agrees to notify CAPT prior to making any changes to the Special In-Grade Salary Adjustments (SISA) in Unit 18 classifications and meet and confer with the Association upon request.
- F. An employee who is eligible for an MSA when he/she is off on IDL or EIDL shall receive the MSA if there is no document in the employee's file that would cause a denial and the employee met standards of efficiency for the prior year.

4.5 Shift Differential

Effective July 1, 2016, Unit 18 employees who work shifts shall receive a night shift differential as set forth below:

- A. Employees shall qualify for the P.M. shift pay differential of one dollar and fifty cents (\$1.50) per hour where four (4) or more hours of the regularly scheduled work shift fall between 6 p.m. and 12 midnight or work an identified Third Watch for CDCR-CCHCS.
- B. Employees shall qualify for the NOC shift pay differential of one dollar and seventy-five cents (\$1.75) per hour where four (4) or more hours of the regularly scheduled work shift fall between 12 midnight and 6 a.m.
- C. Regardless of work shift as in the case of overtime, employees shall be paid for all hours worked at the differential rate of their regularly scheduled shift.
- D. Employees who regularly work the A.M. shift and work overtime on a different shift will receive shift differential consistent with the criteria as outlined above in A and B.
- E. These shift differentials are not PERSable and do not count towards compensation for the purposes of retirement.

4.6 Bilingual Differential Pay

Bilingual Differential Pay applies to those positions designated by the California Department of Human Resources as eligible to receive bilingual pay according to the following standards:

A. Definition of Bilingual Position for Bilingual Differential Pay:

1. A bilingual position for salary differential purposes requires the use of a bilingual skill on a continuing basis averaging 10% of the time. An employee using his/her bilingual skills 10% or more of the time will be eligible whether the skills are used in a conversational, interpretation or translation setting. In order to receive bilingual differential pay, the position/employee must be certified by the using department and approved by the California Department of Human Resources. Previous certification by another department shall be accepted upon employee transfer. (Time should be an average of the time spent on bilingual activities during a given fiscal year.)
2. The position must be in a work setting that requires the use of bilingual skills to meet the needs of the public in either:
 - (a) A direct public contact position;
 - (b) A hospital or institutional setting dealing with patient or inmate needs; or
 - (c) A position utilized to perform interpretation, translation or specialized bilingual activities for the department and its clients.
3. The position must be in a setting where there is a demonstrated client or correspondence flow where bilingual skills are clearly needed.
4. Where organizationally feasible, departments should ensure that positions clearly meet the standards by centralizing the bilingual responsibility in as few positions as possible.
5. Actual time spent conversing or interpreting in a second language and closely related activities performed directly in conjunction with the specific bilingual transaction will count toward the 10% standard.

B. Rate:

1. An employee meeting the bilingual differential pay criteria during the entire month shall receive a maximum of \$100 per month, including holidays.
2. An employee meeting the bilingual differential pay criteria less than the entire month shall receive the differential on a pro-rata basis.

3. A fractional-month employee meeting the bilingual differential pay criteria shall receive the differential on a pro-rata basis.
 4. An employee paid by the hour meeting the bilingual differential pay criteria shall receive a differential of \$.58 per hour.
 5. An employee paid by the day meeting the bilingual differential pay criteria shall receive a differential of \$4.61 per day.
- C. Employees, regardless of the time base or tenure, who use their bilingual skills more than 10% of the time on a continuing basis and are approved by the California Department of Human Resources will receive the bilingual differential pay on a regular basis.
- D. Bilingual differential payments will become earnings and subject to contributions to the State Retirement System, OASDI, levies, garnishments, Federal and State taxes.
- E. Employees working in positions which qualify for regular bilingual differential pay as authorized by the California Department of Human Resources may receive the appropriate pay during periods of paid time off and absences (e.g., sick leave, vacation, holidays, etc.).
- F. Employees will be eligible to receive the bilingual differential payments on the date the California Department of Human Resources approves the departmental pay request. The effective date may be retroactive to the date of appointment to a position requiring bilingual skills when the appointment documentation has been delayed. The effective date may be retroactive up to 60 days when the incumbent's duties are changed to include the use of bilingual skills.
- G. Bilingual salary payments will be included in the calculation of lump sum vacation, sick leave, and extra hour payments to employees terminating their State service appointment while on bilingual status.
- H. Employees will not receive bilingual salary compensation for overtime hours worked, except upon separation from State service, regardless of total hours during the pay period. Agencies may not include bilingual salary compensation when computing the overtime rate.
- I. Employees receiving regular bilingual differential pay will have their transfer rights determined from the maximum step of the salary range for their class. Incumbents receiving bilingual pay will have the same transfer opportunities that other class incumbents are provided.
- J. The bilingual differential pay shall be included in the rate used to calculate temporary disability, industrial disability, and non-industrial disability leave benefits.

4.7 Rate on Reinstatement after Separation

Employees who are permissively reinstated by the appointing power after a break in service of three (3) years or less shall be reinstated to the same step and salary range as when separated. Employees who are permissively reinstated by the appointing power after a break in service of more than three (3) years shall be reinstated to the same salary range as when separated.

4.8 Semi-Monthly Pay

- A. Employees shall be paid no later than the 1st and the 15th of each month.
- B. There shall be a two (2) week lag.
- C. Should the State Controller's Office have new equipment installed during the life of this Agreement and that equipment is capable of producing either bi-weekly pay checks (26 pay periods) or equal semi-monthly paychecks, the State agrees to modify the current semi-monthly pay program with the concurrence of the Association.

4.9 Timely Payment of Wages

The State agrees to provide timely payment of wages after an employee's discharge, layoff or resignation consistent with applicable department and State Controller's Office policies and State and Federal Law. Each employee shall receive a regular payroll warrant and overtime warrant when cash payment for overtime is authorized.

Overtime payments will be made in accordance with the Fair Labor Standards Act as provided in 29 CFR 778.106. The regulations provide that these payments may be made as soon as practicable, but in no event beyond the next pay period after such computation can be made. This section is not subject to Article 13 (Grievance and Arbitration Procedure).

When there are errors or delays in processing the payroll documents and the delay is through no fault of the employee, the employee shall be given the option to receive a salary advance for regular payroll within one (1) business day following payday.

4.10 401K Plan

Employees in Unit 18 are to be included in the State of California, California Department of Human Resources' 401K Deferred Compensation Program.

4.11 Overpayments / Payroll Errors

- A. This provision applies when the State determines that an overpayment has been made to an employee. "Overpayment" is defined as cash or time off that has been overpaid regardless of the reason. Overpayment shall be administered in accordance with GC Sections 19838, except as provided in this section.

- B. If an overpayment occurs, reimbursement shall be made to the State through one of the following methods at the employee's option. However, if the employee does not identify an option, the state will proceed with collection via payroll deductions not to exceed 10 percent of the employee's net salary pursuant to Subsection G.
1. In cash payment(s) mutually agreed to by the employee and the State; or
 2. Installments through payroll deduction to cover the same number of pay periods in which the error occurred, provided the full amount is recovered in one (1) year or less. Where overpayments have continued for more than one (1) year, full payment may be required by the State through payroll deductions over the period of one (1) year; or;
 3. By mutual agreement, the overpayment may be satisfied by the use of leave credits, excluding sick leave. Any errors in sick leave balances may be adjusted only with sick leave credits. Requests to use leave credits shall not be unreasonably denied.
- C. An employee whose employment is terminated prior to full repayment of the amount owed shall have withheld from any money owing the employee upon termination an amount sufficient to provide full repayment. If the amount owing is insufficient to provide full reimbursement to the State, the State shall have the right to exercise any and all other legal means to recover the additional amount owed.
- D. If the employee should have reasonably known that an overpayment occurred, the schedule of repayment may be determined by the State and will not be subject to this Section. The repayment will be collected in no fewer pay periods than the overpayment occurred in, not to exceed one year, unless mutually agreed to a longer period of time.
- E. No provision of this Section shall supersede the current procedures for the correction or repayment of errors or other losses directed by third parties covering areas such as insurance, retirement, social security, court-ordered payments or disability pay.
- F. The parties agree to indemnify and hold CAPT harmless against collateral challenges, including any actions by Unit 18 members that may be brought seeking nullification of this Section of the Agreement.
- G. Amounts deducted from payment of salary or wages pursuant to the above provisions, except as provided in Subsection C, shall in no event exceed 10 percent of the employee's net salary. For the purposes of this Section, "net salary" is defined as the amount of salary earned after deductions of federal income tax, state income tax, employee's retirement contributions and OASDI.

- H. In event of overpayment/payroll errors, employees will be given a written notice containing the reasons for the error and the amount involved. The written notice shall include the employee's options pursuant to Subsection B above.

4.12 Blood Withdrawal Certification

The State agrees to reimburse employees for fees required to obtain and maintain management required blood withdrawal certificates.

4.13 Recruitment and Retention

- A. Upon approval by the California Department of Human Resources (CalHR), departments may provide Unit 18 employees a recruitment and retention differential for specific positions, classifications, facilities or geographic locations.
- B. A department will provide CAPT notice of the recruitment and retention differential upon approval by the CalHR and Department of Finance. Upon request of CAPT, the department will meet and discuss on the impact.
- C. Less than full-time permanent employees shall receive the recruitment and retention differential on a pro rata basis.
- D. Permanent intermittent employees shall receive a pro-rated recruitment and retention differential based on the hours worked in the pay period.
- E. Recruitment and retention payments shall not alter any classification's pay schedule nor will they be considered as compensation for purposes of retirement contributions. The employee will pay usual and customary withholdings.
- F. The department may withdraw any recruitment and retention differential for specific positions, classifications, facilities or geographic locations for new hires when it is no longer needed with a 30-day notice to CAPT.
- G. It is understood by CAPT that the decision to implement or not implement recruitment and retention payments or to withdraw authorization for such payments or differentials, and the amount of such payments or differentials rests solely with the State and that such decision is not grievable or arbitrable.
- H. Recruitment and retention differentials currently being paid are listed as Appendix B to this agreement.

ARTICLE 5 - HOURS OF WORK AND OVERTIME

5.1 Overtime

- A. Overtime for employees in Work Week Group 2 is defined as all hours worked in excess of 40 hours in a work week period of 168 hours or seven consecutive 24-hour periods. The work week(s) for employees in Unit 18 will be posted in the Personnel Office of each facility.
- B. Overtime shall be paid consistent with GC 19844.1, except as noted in P below.
- C. Payment of authorized overtime required by the State shall be in cash or compensating time off (CTO) and shall be at a rate of one and one-half times the employee's regular rate of pay for each hour of overtime worked, or fraction thereof, computed to the nearest fifteen minutes.
- D. During the term of this agreement, if the State is unable to provide cash compensation for overtime under the provisions of this contract, the State shall notice CAPT and the parties shall meet and confer pursuant to Article 14 (Entire Agreement).
- E. Employees may accrue up to 100 hours of compensating time off. Employees shall have the choice of cash or CTO for overtime hours worked. Management shall have the option, each fiscal year, to compensate employees with CTO up to 40 hours on the books. All hours in excess of the 100 hour CTO maximum shall be compensated in cash.

Employees shall have the right to hold up to 40 hours of accrued CTO exempt from mandatory buyout. The employer or the employee shall be informed, prior to working overtime, whether the overtime will be in cash or CTO. If cash compensation is paid to an employee for accrued CTO, such compensation shall be paid at the regular rate earned by the employee at the time the employee receives the payment.

- F. If the State does not permit the employee to schedule the CTO within one year from the date the overtime was earned, the State shall make a cash payment in lieu of CTO except as provided in E above.
- G. Before an employee is required to work mandatory overtime, management will make a reasonable effort to find an acceptable volunteer within the program (or for CDCR/CCHCS within the facility) where the employee works. Overtime shall first be offered to BU 18 level of care employees before allowing other classifications to work overtime.
 - 1. "Acceptable volunteer" means an employee who is competent to perform the assignment and meets any necessary licensure requirements.

2. An employee shall not be rejected as an acceptable volunteer solely because the employee has exceeded CTO limitations in item E above.
- H. Except in cases of emergency, as defined in M below, employees shall not be required to work mandatory overtime:
1. More than six (6) mandated overtime shifts of at least two (2) hours duration in a month, or
 2. In excess of sixteen (16) hours continuously, or
 3. In excess of two (2) overtime shifts within an employee's scheduled work week, or
 4. On two (2) consecutive calendar days.

An employee who is mandated to work an overtime shift, in excess of one (1) hour, shall be rotated to the bottom of the appropriate overtime list; however, mandated overtime shifts of less than two (2) hours do not count towards the limitations listed in this section.

Employees eligible for FMLA, unable to work overtime shall not have more than six (6) mandatory overtime shifts charged against their FMLA entitlement in a month. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met their overtime obligation.

Employees shall not be mandated to work overtime on the same Holidays, listed in Article 6.1, D, (January 1, the last Monday in May, July 4, the first Monday in September, Thanksgiving Day and Christmas) on two (2) consecutive years.

A mandatory overtime rotation list shall be posted within four (4) hours of the start of the shift.

Effective July 1, 2017, except in cases of emergency, as defined in M, below, BU 18 employees at DSH and CDCR/CCHCS shall not be required to work mandatory overtime:

1. More than five (5) mandated overtime shifts of at least two (2) hours duration in a month, or
2. In excess of sixteen (16) hours continuously, or
3. In excess of two (2) overtime shifts within an employee's scheduled work week, or
4. On two (2) consecutive calendar days.

An employee who is mandated to work an overtime shift, in excess of one (1) hour, shall be rotated to the bottom of the appropriate overtime list; however, mandated overtime shifts of less than two (2) hours do not count towards the limitations listed in this section.

Employees, eligible for FMLA, unable to work overtime shall not have more than five (5) mandatory overtime shifts charged against their FMLA entitlement in a month. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met their overtime obligation.

Employees shall not be mandated to work overtime on the same Holidays, listed in Article 6.1, D, (January 1, the last Monday in May, July 4, the first Monday in September, Thanksgiving Day and Christmas) on two (2) consecutive years.

A mandatory overtime rotation list shall be posted within four (4) hours of the start of the shift.

- I. Employees who are mandated to work overtime shall be permitted to secure a volunteer to work all or part of their mandated overtime as a volunteer. The volunteer must be a BU 18 member, competent to perform the assignment, meets any necessary licensure requirement and able to perform the duties of the overtime assignment. Once a volunteer is secured, the mandated employee shall immediately notify the appropriate supervisor. After the volunteer reports to the worksite, the mandated employee shall be allowed to leave the facility. The mandated employee will be credited with a mandate, in accordance with 5.1 H, and the voluntary employee is considered a volunteer.
- J. Upon notification by an employee, at least three (3) hours prior to the start of their next shift, an employee that has worked at least 15 hours (regular assigned shift or overtime), the employee shall be allowed to:
 1. Take the next shift off on vacation, annual leave, CTO or holiday credit if staffing permits, except that if the requested shift off is an open slot on the vacation calendar, it shall be granted.
 2. Adjust the shift starting time to provide a 10-hour break between shifts and the end of the shift will be extended the same amount of time to create a full shift.
 3. Take sufficient time off using accrued leave credits (i.e. CTO, holiday, annual leave or vacation) excluding sick leave, at the start of the next shift to provide a 10-hour break. However, if and only if, an employee does not have any accrued leave credits (excluding sick leave), the employee shall be allowed to take the time off without pay.

The 10-hour break shall begin at the time the employee signs out. Notification shall be pursuant to the point of contact identified in Article 6.4.

- K. Employees shall be subject to the overtime provisions of Work Week Group 2. The appointing power determines the work week, which may begin on any day at any hour. Once the beginning time of an employee's work week is established and noted in the records, it remains fixed regardless of the schedule of hours worked. The beginning of a work week may be changed if the change is intended to be permanent and it is not designed to evade the overtime provision of the Fair Labor Standards Act (FLSA), except that, when the FLSA applies, the overtime provisions of Work Week Group 2 shall be in effect.
- L. Notwithstanding any other contract provision, departmental policy or practice, the travel time of employees who are covered by FLSA shall be considered as time worked only if it meets the definitions and requirements of travel time in Sections 785.34 through 785.41 of Title 29 of the Code of Federal Regulations.
- M. Employees will not be called in or scheduled to work overtime on their day off. There shall be no mandatory overtime on an employee's RDO (an employee's RDO begins at the end of the employee's last scheduled shift in the workweek) or pre-approved day off, except:
1. In an emergency situation such as a natural disaster; or
 2. During a state of emergency declared by the State or Federal authorities; or
 3. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency, acute healthcare crisis). Suicide watch/1:1s shall not constitute an acute healthcare crisis; or
 4. This exception shall only be in effect until January 1, 2018, and shall expire on that date: when the employee's shift relief does not report for work or gave less notice required by facility policy of intent not to report for work, an employee may be mandated for no longer than four (4) hours if:
 - a) There is no BU 18 volunteer available; and
 - b) Every eligible BU 18 employee has been mandated in accordance with facility policy.
- N. An employee who volunteers to work an overtime shift on his/her regular day off will not be mandated to work additional hours contiguous to the voluntary hours worked, except in the case of a declared emergency.
- O. During the term of this agreement CAPT may request to reopen this Section one time.

P. Before an employee is required to work mandatory overtime, management will make every effort to schedule appropriate available employees prior to mandating overtime. This shall include, but not limited to: Permanent Intermittent Employees, Retired Annuitants, Registry staff, and volunteers. As a last resort, to meet required staffing needs, when an employee is mandated to work overtime during a week with approved leave, other than sick leave, they will earn premium (1½ time) overtime compensation for hours worked over forty (40) combined leave use, other than sick leave, and hours worked in that week.

Q. For CDCR/CCHCS:

1. BU 18 employees will be assigned voluntary overtime in the following manner except where precluded in emergency situations:
 - BU 18 Psychiatric Technicians shall be assigned pre-scheduled overtime by seniority on a rotational basis.
 - Management shall supply a Voluntary Overtime Roster at least once a month listing all the known anticipated overtime assignments.
 - The most senior employee will pick one slot and then be rotated to the bottom of the list.
 - The next most senior employee will pick one slot and be rotated to the bottom of the list.
 - This process will be followed until all overtime slots are filled or all requests for voluntary overtime have been awarded.
 - Employees who work a voluntary overtime shift of at least five and one-quarter (5.25) hours shall be rotated to the bottom of the mandatory overtime list.
2. Once an employee has signed up for voluntary overtime, it is their responsibility to work the shift, unless the employee has given their supervisor or designee 72-hours' notice, when possible, to enable the timely scheduling of a replacement.

R. Within DDS and DSH:

1. Open/unassigned shifts shall be first assigned to Intermittent Employees and Retired Annuitants prior to being made available for full-time BU 18 employees as voluntary overtime shifts. Outside registry staff shall not be offered open/unassigned shifts before State Employees; however, they may be offered prior to mandating BU 18 employees.

S. DSH:

1. Will continue to utilize the ASSIST program for overtime scheduling in accordance with continuing negotiations between CAPT and DSH.
2. Employees who work a voluntary overtime shift of at least five and one-quarter (5.25) hours shall be rotated to the bottom of the mandatory overtime list.

T. Pursuant to the recommendations in the Little Hoover Commission report and in recognition of the fact that mandatory overtime is not an effective staffing tool, each Department (DSH, DDS and CDCR/CCHCS) agree to meet with CAPT in accordance with the Joint Labor Management Committee provision in Article 9.4 within sixty (60) days of ratification of this contract and quarterly thereafter, with the goal to reduce and to the extent possible, eliminate mandatory overtime by July 2018.

Nothing in this agreement prohibits Departments from reducing mandatory overtime hours/shifts prior to the dates and maximum numbers in Section H above.

5.2 Show-up Time

- A. An employee who shows up for work at an assigned starting time and has not been advised by the employer prior to reporting not to so report shall be guaranteed at least four (4) hours of work or shall be paid a minimum of four (4) hours at the employee's appropriate rate of pay.

5.3 Call Back Time – Intentionally Omitted

5.4 Rest Periods

- A. Two (2) rest periods of fifteen (15) minutes each shall be scheduled by the supervisor during each regular shift; one (1) during the first half of the shift and one (1) during the second half of the shift. Employees shall be permitted to take breaks except in cases of emergency involving client care.
- B. A rest period shall not be granted during the first or last hour of the work shift. Rest periods may be accumulated for that workday in order to extend a lunch break with supervisory approval. If rest periods are combined with their unpaid lunch period, employees are not eligible for workers compensation benefits during such period. Rest periods shall not be used for overtime purposes. If operational needs prevent an employee from taking a rest period, the employee's supervisor may adjust the employee's shift in order to enable the employee to leave work early.

- C. Whenever possible and with the approval of his/her supervisor, the employee may take the break away from the employee's work area provided the employee is back in the work assignment at the end of the rest period.
- D. Disputes regarding this Article are grievable up to the CalHR level but are not subject to the arbitration section of this MOU.

5.5 Meal Periods

- A. Except for employees who are assigned to a straight eight (8) hour shift, full-time employees will be allowed a meal period of not less than 30 minutes nor more than 60 minutes which shall be determined by the State.
- B. Meal periods shall not be counted as part of total hours worked except for those employees who are required by the State to perform assigned duties during meal periods. When employees are required or permitted to work through their meal period, the State, at its option, may either adjust the employee's workweek schedule or workday schedule, or credit the employee for the time worked.

5.6 Days Off Cycles

At the request of the Association, the departments agree to schedule a meeting at each facility to discuss Association proposals related to days off cycles. Additional meetings may be scheduled with mutual agreement.

5.7 Exchange of Days Off

Unit 18 employees shall be permitted to exchange hours of work with other employees in a higher classification, the same classification or a lower classification within the series, performing the same type of duties within the same work areas. A work area shall be defined as any position the employee would be floated/redirected to cover. The exchange shall be a seamless, invisible exchange of hours of work. The exchange shall occur, provided:

1. The exchange occurs within a period not to exceed 45 calendar days.
2. The employees make a written/electronic notification to their supervisor or designee at least twenty-four (24) hours prior to the exchange, and the notification is reviewed by the supervisor or designee.
3. Employees requesting an exchange of work hours shall not be required to give a reason.

The exchange shall not be cancelled or modified except:

1. In emergencies pursuant to Article 5.1; or
2. When both employees participating in the exchange agree to modify or cancel it.

An exchange shall be prohibited where it would result in overtime, working less than a full shift, or other additional compensation under the FLSA or this Agreement. Exchanges shall not qualify as an out-of-class assignment. This does not preclude exchanges between employees on different shifts. However, employees shall be allowed to participate in 16-hour exchanges in departments working eight and one-half hour schedules, provided the employee waives and works through one (1) meal period if the shifts include a 30-minute overlap or one (1) rest period if the shifts include a 15-minute overlap. They must work through the meal or rest period during the first shift worked. The employee shall be permitted to waive and work through a meal or rest period for this purpose, whether or not operational needs require it. The employee's first shift shall then be adjusted to end early pursuant to Article 5.4 or 5.5.

In the event an employee fails to work any portion of the exchange, the employee originally scheduled to work shall use appropriate leave credits to cover the hours not worked. If the exchange includes a holiday, the employee originally scheduled to work the holiday, not the employee who physically worked the holiday, shall receive holiday compensation in accordance with Article 6.1. Employees exchanging hours of work shall be subject to floating if the employee originally scheduled to work would have been floated. Employees exchanging hours of work shall not be subject to any mandatory overtime obligation of their exchange partner.

Issues related to the administration of this Article shall be addressed at the quarterly Labor/Management meeting pursuant to Article 9.4 of this agreement.

For DSH only, if a Control Agency identifies issues with this Article, the State will provide notice to CAPT and meet and confer over the issue.

5.8 Compensable Travel Time

Notwithstanding any other contract provision, departmental policy or practice, the travel time of employees who are covered by the Fair Labor Standards Act shall be considered as time worked only if it meets the definitions and requirements of travel time in Sections 785.34 through 784.41 of Title 29 of the Code of Federal Regulations.

In applying Section 785.37 (home to work on special one-day assignment in another city), for purposes of consistent application, "another city" is defined as a work location in excess of a 25-mile radius from the employee's headquarters.

5.9 Excess Time

- A. At the conclusion of each fiscal year, management shall determine the feasibility of paying cash compensation for excess time accrued over the previous year.
 1. Should management determine that it is feasible to provide cash compensation for the accrued excess time, the facility will survey employees for cash-out.

2. If the facility determines that it cannot cash out all the requested excess time, facility management will determine a method to distribute the available cash among those employees requesting cash-out.

B. Employees must maintain a minimum of 32 hours after the cash-out occurs.

5.10 Mixed Shifts

An employee shall not be required to work a mixed shift work week unless the employee consents.

5.11 Alternate Work Schedules

- A. Departments shall establish policies for flexible work hours and alternate work schedules (AWS) for Bargaining Unit 18 employees who desire to participate. An “alternate work schedule” is a fixed work schedule other than regular/standard work hours/week. An employee’s right to participate shall be reinstated if the adverse action or the performance appraisal is withdrawn or modified.

2. Employees on Attendance Plans may not participate in alternate work schedules. Employees on alternate work schedules who are placed on an Attendance Plan shall be disqualified from participating in an AWS until the plan is rescinded.
3. Employees must have a combined forty (40) hours of vacation leave, annual leave, CTO, or personal leave credits at the time of their request, and must maintain forty (40) hours in order to remain in the program.
4. Employees who are holding a Post and Bid position when they enter into an alternate work schedule shall vacate their Post and Bid Position.
5. Where alternate work schedules are implemented and are limited in number of participants, BU 18 members will be selected to participate based on seniority.

This does not preclude other appropriate action including adverse action.

Vacation Scheduling

- H. No later than October 1 of each year, the following year's vacation calendars and employee bidding appointment times shall be posted/available for employees to review. The vacation calendar shall be restricted to BU 18 employees only. The vacation calendar for each shift/watch shall be created with a sufficient number of slots on each shift/watch to allow each employee to bid up to their total accrued vacation/annual leave balance (maximum of 32 vacation/annual leave days) at the time the vacation is to be taken. A maximum of a one slot variance shall be allowed between any two months on the vacation calendar and there must be at least one slot each day on the vacation calendar. CAPT shall be provided a copy of each calendar, along with the BU 18 seniority list.

Beginning on October 15 of each year, or the next business day thereafter, BU 18 employees may bid (by seniority) in writing, by appointment or electronically, for not more than three (3) vacation periods in the calendar year. The three (3) vacation periods shall be for consecutive days and combined shall not exceed thirty-two (32) eight (8) hour vacation/annual leave days during the calendar year. Any one vacation period shall not exceed twenty-four (24) vacation/annual leave days (not including RDOs). Each vacation period shall be separated by at least twenty-two (22) calendar days. For the purpose of this Subsection, an employee's chosen vacation period may not exceed the employee's accrued vacation/annual leave time balance at the time the vacation is to be taken.

- I. Ad Hoc Bidding: Beginning December 1 of each year, or on a later date if mutually agreed upon by CAPT and the State, employees may select time off from the calculated number of vacation slots on the calendar that were not awarded during the initial bid on a first-come, first-served basis. This selection shall begin two (2) hours prior to the start of each shift/watch. At DDS, the selection shall be conducted by walk-up bid. At CDCR/CCHCS the selection shall be conducted in accordance with the current practice.

For the purpose of this Subsection, employees may use any leave credits other than sick. Employees may bid utilizing the available leave credits (i.e., vacation, AL, CTO, PDD, Holiday, etc., except sick leave) at the time the Ad Hoc time is requested. If the selection is ten (10) or more calendar days prior to the first selected day off, the selection shall be granted. A request for time off with fewer than ten (10) calendar days may be granted. Ad Hoc requests that are denied shall not be retained and awarded if reposted.

- J. Any vacation time (Bid or Ad Hoc) that is cancelled at least fourteen (14) calendar days in advance shall be reposted on the Ad Hoc calendar. Any vacation time (Bid or Ad Hoc) that is cancelled less than fourteen (14) calendar days in advance may be reposted on the Ad Hoc calendar.

Vacation calendars shall be updated at least bi-monthly to reflect any changes in the vacation calendar in accordance with this Article.
- N. Employees with insufficient accrued leave balances shall cancel, at their choice, whatever portion of the vacation time (Bid or Ad Hoc) days they cannot cover with accrued leave credits, excluding sick leave.

DSH Vacation

The parties agree to utilize the implementation of ASSIST to develop a BU 18 specific vacation calendar and process.

6.3 Annual Leave

- A. Employees may elect to enroll in the annual leave program to receive annual leave credit in lieu of vacation and sick leave credits. Employees enrolled in the annual leave program may elect to enroll in the vacation and sick leave program at any time except that once an employee elects to enroll in either the annual leave program or vacation and sick leave program, the employee may not elect to enroll in the other program until 24 months have elapsed from date of enrollment.
- B. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:

1 month to 3 years 11 hours per month

37 months to 10 years 14 hours per month

121 months to 15 years 16 hours per month

181 months to 20 years 17 hours per month

241 months and over 18 hours per month

Employees shall have the continued use of any sick leave accrued as of the effective date of this Agreement, in accordance with applicable laws, rules or memoranda of understanding.

Part-time employees shall accrue proportional Annual Leave credits, in accordance with the chart shown below:

TIME BASE	HOURS OF MONTHLY CREDIT PER ANNUAL LEAVE GROUP

A PI employee will be eligible for annual leave credit with pay in accordance with the schedule in section B above, on the first day of the qualifying monthly pay period following completion of each period of one hundred sixty (160) hours of paid employment. The hours in excess of one hundred sixty (160) hours in a qualifying monthly pay period shall not be counted or accumulated. When it is determined that there is a lack of work, a department head or designee may;

- a. Pay the PI employee in a lump-sum payment for accumulated annual leave credits; or
- b. By mutual agreement, schedule the PI employee for annual leave; or

- c. Allow the PI employee to retain his/her annual leave credits; or
- d. Effect a combination of a, b, or c, above.

All provisions necessary for the administration of this Section shall be provided by CalHR rule or memorandum of understanding.

- C. A full-time employee who has 11 or more working days of service in a monthly pay period shall earn annual leave credits as set forth in CalHR Rules 599.608 and 599.609.

Absences from State service resulting from a temporary or permanent separation for more than 11 consecutive days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.

- D. Employees who work in multiple positions may participate in annual leave, provided an election is made while employed in an eligible position subject to these provisions. Annual leave accrual for employees in multiple positions will be computed by combining all positions, as in vacation leave, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.
- E. If an employee does not use all of the annual leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued annual leave credits to the following calendar year to a maximum of 640 hours.

A department head or designee may permit an employee to carry over more than 640 hours of accrued hours because the employee was:

- 1. Required to work as a result of fire, flood or other extensive emergency.
 - 2. Assigned work of a priority or critical nature over an extended period of time.
 - 3. Absent on full salary for compensable injury.
 - 4. Prevented by department regulations from taking annual leave until December 31 because of sick leave.
 - 5. On jury duty.
- F. Upon termination from State employment, the employee shall be paid for all accrued annual leave credits.
 - G. The time when annual leave shall be taken by the employee shall be determined by the department head or designee. If on January 1 of each year an employee's annual leave bank exceeds the cap in Subsection E, the department may order the employee to take annual leave.

- H. Annual leave requests must be submitted in accordance with departmental policies on this subject. However, when two or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same annual leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred annual leave period in order of State seniority.
- I. Each department head or designee will make every effort to act on annual leave requests in a timely manner.
- J. Annual leave that is used for purposes of sick leave is subject to the requirements set forth in Section 6.4 (Sick Leave) of this Agreement.
- K. The Enhanced Non-industrial Disability Insurance (ENDI) in Section 7.7 applies only to those employees in the annual leave program described above in this Section.
- L. Employees who are currently subject to vacation and sick leave provisions may elect to enroll in the annual leave program at any time after 24 months has elapsed from date of last enrollment. The effective date of the election shall be the first day of the pay period in which the election is received by the appointing power. Once enrolled in annual leave, an employee shall become entitled to an Enhanced NDI benefit (50 percent of gross salary).
- M. Upon enrollment in the annual leave program, existing vacation balances will become the employee's annual leave balance. For example, if an employee has accrued 300 vacation hours and enrolls in the annual leave program, the 300 hours of vacation become 300 hours of annual leave. In this example, all earned hours of annual leave shall be added to the 300 hours and the employee may accrue annual leave hours up to a cap of 640 hours as outlined in Subsection E above.

6.4 Sick Leave

- A. As used in this Section, "sick leave" means the necessary absence from duty of an employee because of:
 - 1. Illness or injury, including illness or injury relating to pregnancy.
 - 2. Exposure to a contagious disease which is determined by a physician to require absence from work.
 - 3. Dental, eye and other physical or medical examination or treatment by a licensed practitioner.
 - 4. Attending to an employee's ill or injured mother, father, husband, wife, son, daughter, brother, sister or any person residing in the immediate household. Such absence shall be limited to five workdays per occurrence or, in

extraordinary situations, to the time necessary for care until physician or other care can be arranged.

- B. On the first day of the monthly pay period following completion of each monthly pay period of service, each full time employee shall earn eight hours of credit for sick leave with pay. A full-time employee who had eleven or more working days of service in a monthly pay period shall earn full sick leave credit.

Absences from State service resulting from a temporary or permanent separation for more than eleven consecutive working days, which fall into two consecutive qualifying pay periods, shall disqualify the second pay period.

- C. Credit for less than full-time employees shall be computed as follows:

1. Part-time employees. On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro-rata basis, the fractional part of eight hours credit for sick leave with pay.
2. Multiple positions under this rule:
 - a. An employee holding a position in addition to other full-time employment with the State shall not receive credit for sick leave with pay for service in the additional position.
 - b. Where an employee holds two or more "less than full-time positions," the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but the credits shall not exceed full-time employment credit.

- D. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit medical verification. An acceptable medical verification includes, but is not limited to, a document signed or issued by a healthcare provider confirming the employee's inability to attend work. Sick leave requests may not be unreasonably denied. If the department head or designee does not consider the medical verification adequate, the request for sick leave shall be disapproved. Upon written request from the employee, the basis for the denial of sick leave will be provided in writing. The employee shall have five (5) working days to provide further substantiation.

Each facility shall identify only one (1) supervisor, designee or location for employees to call off sick. There shall be a single point of contact for sick calls unless part of a written attendance plan. The point of contact must be a phone line that is answered or must allow for the employee to leave a recorded message. An employee shall not be transferred or redirected to speak with anyone else.

E. An employee shall not be required to provide medical verification when he/she uses no more than three consecutive days sick leave, except when:

1. The employee has a demonstrable pattern of sick leave abuse, or
2. The supervisor has a reasonable belief, specifically pertaining to the employee, that the absence was for an unauthorized reason, or
3. In accordance with their attendance plan.

If an employee is required to provide medical verification pursuant to Section E, the medical verification must be requested from the employee within two hours of the start of the shift, unless otherwise provided for in an attendance plan. If not requested within two hours, the employee's absence shall be considered approved.

If requested, medical verification shall only be required to be submitted with the employee's 998/634 (Absence and Attendance Report) form, unless otherwise provided for in an attendance plan.

F. Sick leave may be accumulated without limit.

G. Sick leave may be used in 15-minute increments.

H. Absence from duty resulting from approved EIDL, IDL, NDI or ENDI shall not be subject to disciplinary action.

I. Employees will not be denied the right to use sick leave or be subject to any type of corrective or disciplinary action based solely on the amount of sick leave used.

J. Upon submission of an Absence and Attendance Report Form, if the supervisor disapproves an employee sick leave request, the supervisor shall complete the form and inform the employee in writing why the requested time is denied. Upon notice, the employee shall have five (5) working days to provide additional documentation to verify the request for sick leave prior to the denial becoming final and the employee being docked. Verification of sick leave will be made in accordance with Subsection D and E above.

K. Upon request, an employee who is not on a sick leave attendance program and who submits substantiation for use of sick time which is accepted by the employee's supervisor as a valid absence from work under Subsection A above, and has insufficient sick leave credits to cover the absence, other leave credits shall be used to cover the absence.

Upon request, an employee who is on a sick leave attendance program and who suffers a major injury and submits substantiation for use of sick time which is accepted by the employee's supervisor as a valid absence from work and the

employee has exhausted all sick leave credits, other leave credits may be used to cover the absence.

- L. An employee shall be provided a verbal warning and then a written counseling prior to being placed on a sick leave attendance program. The verbal warning and written counseling (i.e., LOI or ECR) shall not normally be given simultaneously. The attendance program shall be a written plan of action including the requirements that must be followed during the course of this program, a goal and an estimated date of how/when the plan will end. Employees who are on attendance programs shall be required to provide medical verification in accordance with their attendance plan. The plan will be reviewed at least quarterly and at the end of the program. Upon review, if the employee has met the requirements and goal, the plan shall be rescinded. It is understood that an employee who fails to follow the provisions of the above plan may be subject to further disciplinary action. The following sick leave absences shall not be counted in a decision to put an employee on an attendance program:

1. Any pre-scheduled and employer-approved medical, dental or family leave appointment.
2. Any absence where the employee reports to work but the employer or medical officer determines or concurs that the employee is too ill to work on that day.
3. Any EIDL, IDL, ENDI or NDI time.

- M. Both parties agree and understand that application of this Section may vary.

- N. In lieu of sick leave credits, any employee who is subject to the Annual Leave Program and who is appointed (this includes but is not limited to initial appointment into State service, reinstatement, transfer, promotions and demotion) in a position in Bargaining Unit 18 shall continue to be subject to the Annual Leave Program and the Enhanced Non-industrial Disability Insurance (ENDI) benefit provisions of this Contract.

- O. Wounded Warriors Transitional Leave

Credit for sick leave granted under this subdivision shall be credited to a qualifying officer or employee on the first day of employment and shall remain available for use for the following 12 months of employment. Sick leave credited

pursuant to this subdivision that is not used during the 12-month period shall not be carried over and shall be forfeited.

Submission of satisfactory proof that sick leave granted under this subdivision is used for treatment of a military service-connected disability may be required.

- A. A female permanent or probationary employee shall be entitled, upon request, to an unpaid leave of absence for purposes of pregnancy, childbirth, recovery therefrom or care for the newborn child for a period not to exceed one (1) year from the birth of the child. The employee shall provide medical substantiation to support her request for pregnancy leave. The request must include the beginning and ending dates of the leave and must be requested no later than 30 calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to authorization of the department head or designee.

- E. If the request for parental leave is made more than 30 calendar days after the birth of the child, a permissive unpaid leave of absence may be considered by the department head or designee.
- F. Any permissive approval of parental leave or adoption leave as outlined above may be terminated by the department head or designee prior to the expiration date with written notice at least thirty (30) work days prior to the effective date of revocation.

- G. During the period of time an employee is on parental or adoption leave, he/she shall be allowed to continue his/her health, dental and vision benefits. The cost of these benefits shall be paid by the employee at the group rate.

- I. For purposes of Subsections A, B and C, an employee may use accrued compensating time off, holiday credit or vacation time.
- J. 6.6 Bereavement Leave

- A. A department head or designee shall authorize bereavement leave with pay for a permanent or probationary full-time State employee due to the death of his/her parent, stepparent, spouse, child, stepchild, adopted child, or death of any person residing in the immediate household of the employee at the time of death. An intervening period of absence for medical reasons shall not be disqualifying when, immediately prior to the absence, the person resided in the household of the employee. Such bereavement leave shall be authorized for up to three eight-hour days (24 hours) per occurrence. Cash-out or lump-sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement.
- C. If a dispute arises about this Personal Leave section, an employee may file a grievance and the decision reached at Step 3 (CalHR) of the grievance procedure shall be final and not subject to the arbitration clause of this Agreement.

6.12 Unpaid Leave of Absence

A leave of absence shall not be granted under this Section to any employee who is accepting another position in State service or who is leaving State service to enter other employment except as herein provided; or who does not intend to, nor can reasonably be expected to, return to State service on or before the expiration of the leave.

6.13 Family and Medical Leave Act (FMLA)

- A. The State and the Union recognize that on occasion it will be necessary for employees of the State to take job-protected leave for reasons consistent with the FMLA and the California Family Rights Act (CFRA) referred to collectively as "FMLA." As defined by the FMLA, reasons for an FMLA leave may include an employee's serious health condition, for the care of a child, parent, spouse or domestic partner (as defined in Family Code section 297), or a parent who has a serious health condition, and/or for the birth or adoption of a child.
- B. For the purposes of providing FMLA benefits, the following definitions shall apply:

1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA.
 2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care" as provided in this Section applies to the individual with the covered health condition;
 3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;
 4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits unless otherwise specified by Section 6.9 of this Contract.
 - a. FMLA absences due to illness and/or injury of the employee or eligible family member may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for an FMLA leave will be administered in accordance with Sections 6.9 and 6.4 of this Contract.
 - b. Other leave may be substituted for the FMLA absence due to illness and/or injury at the employee's discretion. An employee shall not be required to exhaust all paid leave before choosing unpaid leave unless otherwise required by Section 6.9 of this Contract.
 - c. FMLA absences for reasons other than illness and/or injury (i.e. adoption or care of an eligible family member) may be covered with leave credits other than sick leave, or with unpaid leave, at the employee's discretion. Except in accordance with Section 6.9 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.
- C. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.
- D. An eligible employee shall be entitled to a maximum of twelve (12) workweeks (480 hours) of FMLA leave per calendar year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in Article 6 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.

- E. On January 1 of each year, FMLA leave shall be recorded in accordance with the calendar year. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the current calendar year.
- F. An employee on FMLA leave has a right to be restored to his/her same or "equivalent" position (FMLA) or to a "comparable" position (CFRA) with equivalent pay, benefits and other terms and conditions of employment.
- G. For purposes of computing seniority, employees on paid FMLA leave will accrue seniority credit in accordance with California Department of Human Resources Rules 599.608 and 599.609.
- H. Any appeals regarding an FMLA decision should be directed to the department head or designee. FMLA is a Federal law administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law administered and enforced by the Department of Fair Employment and Housing. FMLA/CFRA does not supersede any Article of this Contract which provides greater family and medical leave rights. This Section is not subject to grievance or arbitration.
- I. The State and the Union recognize amendments to the Family and medical Leave Act and the California Family Rights Act (CFRA) may happen during the duration of the contract. In the event of an amendment, the State shall comply with the changes. Changes are subject to the entire agreement clause.

A. Family School Partnership Act

- 1. Upon reasonable notice, but not less than 2-scheduled work days, to the employer, an employee shall be permitted to use up to eight (8) hours per month, but not exceeding forty (40) hours per calendar year, of accrued leave credits (annual leave, vacation, personal holiday, holiday credit or CTO) for the purpose of attending school or preschool activities in which the employee's child or child for which the employee is in Loco Parentis, is participating. Requests received within 3-calendar days may be granted. The State shall not discriminate or threaten to discriminate against any employee who exercises his/her right under this provision.
- 2. An employee's leave request shall be in accordance with the appropriate departmental procedures.

B. Family Activity

- 1. Subject to operational needs and reasonable notice to the employer, an employee shall be permitted to use accrued leave credits (annual leave, vacation, personal holiday, holiday credit or CTO) for the purpose of attending

non-school family activities, such as sports events, recitals, 4-H Club, etc., in which the employee's child is participating.

2. If an employee has exhausted available leave credits, the employee may request unpaid leave, unless he/she is currently subject to attendance restriction.
3. In this Subsection and Subsection A above, the word "child" is defined as the employee's son, daughter or any child to whom the employee stands in loco parentis.

C. Family Crisis

1. Subject to operational needs, and upon reasonable notice to the employee's immediate supervisor, employees shall be eligible to use accumulated leave credits for the purpose of dealing with family crisis situations (e.g. marriage counseling, family or parenting conflict management, family court appearances, family care urgent matters and/or emergencies). If the employee has exhausted available leave credits, the employee may request unpaid leave.
2. Family is defined as the parent, stepparent, spouse, domestic partner that has been defined and certified with the Secretary of State's Office in accordance with Family Code section 297, child, grandchild, grandparent, brother, sister, stepchild or any person residing in the immediate household.
3. If eligible, any Family Crisis Leave that meets the definition of serious health condition will run concurrently with Subsection 6.13 of this Contract (Family and Medical Leave Act).

5. Employee requests related to family crisis or domestic violence shall be in accordance with departmental procedures and, except in emergencies, shall be made with reasonable notice to the employee's immediate supervisor.
6. The State shall maintain the confidentiality of any employee requesting accommodation under this Section, but may require substantiation to support the employee's request.

6.15 Furlough and PLP Programs

Employees with accrued furlough/PLP 2010 and 2012 program hours shall be allowed to utilize them in accordance with Article 6.2. Furlough hours have no cash value, do not expire and shall be used prior to other leave (except sick leave) and prior to separation/retirement/termination.

Employees who donate bone marrow to another person shall be eligible for up to five (5) work days of paid leave (Donor Leave) in any one (1) year period.
- B. The one (1) year period is the twelve (12) month period measured forward from the date an employee's first leave begins.
- C. The one (1) year period for an organ donor is separate from the one (1) year period for bone marrow donation.
- D. An employee must first exhaust all sick leave balance to qualify for Donor Leave.
- E. Employees without a sick leave balance, including employees in the annual leave program, are immediately eligible for paid leave (Donor Leave).
- F. Employees must provide written verification to the appointing power that a medical necessity exists for the donation.
- G. Donor Leave taken for donations is not a break in continuous service, relative to salary adjustments, leave accrual, or seniority normally accrued while on paid leave.
- H. Employees wishing to become a donor may be required to undergo medical, psychological or other tests. Absences for such purposes must be requested in advance in the same manner as required to use sick or annual leave. The time an employee is approved to be absent for such purposes shall be deducted from the employee's accrued leave balance.
- I. If the donor employee is temporarily unable to return to work after exhausting Donor Leave, the employee may, subject to medical verification, use any paid or unpaid leave available to the employee until able to return to work. Such leave may include, but is not limited to, sick, vacation, annual, personal, CTO, Family Medical, catastrophic, NDI, and medical leave.
- J. If the donor employee is permanently unable to return to work following the donation, the employee will be separated and paid for any leave balances including but not limited to vacation, annual leave and/or CTO current balances. The payment for such balances shall be computed by projecting the accumulated time on a calendar basis as though the employee were taking time off. If during the period of projection, the employee is able to return to work, the employee will have a mandatory right to be reinstated to his/her former position.

6.17 Paid Time Off: Precinct Election Board

With prior approval of the employee's supervisor and under comparable conditions as provided for supervisors and managers in CalHR Rule 599.930, an employee may be granted time off for public service as a member of a Precinct Election Board. ARTICLE 7 - BENEFITS

7.1 Consolidated Benefits (CoBen) Program

A. Program Description

1. CoBen Allowance Amounts

- a. Effective on the first day of the pay period following Union ratification of this agreement, the State will continue to pay the contribution rates established on January 1, 2016, for the Consolidated Benefits (CoBen) Allowance. The allowance is based on the Health Benefit party codes in a health plan administered or approved by CalPERS. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by CalPERS.
 - (1) The State shall contribute \$608 per month for coverage of an eligible employee. (Party code one)
 - (2) The State shall contribute \$1,202 per month for coverage of an eligible employee plus one dependent. (Party code two)
 - (3) The State shall contribute \$1,572 per month for coverage of an eligible employee plus two or more dependents. (Party code three)

2. The employer health benefits contribution for each employee shall be a flat dollar amount equal to 80 percent of the weighted average of the Basic health benefit plan premiums for a State active civil service employee enrolled for self-alone, during the benefit year to which the formula is applied, in the four Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous year. For each employee with enrolled family members, the employer shall contribute an additional flat dollar amount equal to 80 percent of the weighted average of the additional premiums required for enrollment of those family members, during the benefit year to which the formula is applied, in the four Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous benefit year.

The established flat dollar amounts shall be increased as appropriate pursuant to the formulas above on January 1, 2017, and January 1, 2018, and January 1, 2019. The established dollar amount(s) shall not be increased in subsequent years without a negotiated agreement by both sides.

When an employee is appointed to a new position or class that results in a change in eligibility for the composite rate, the effective date of the change shall be the first of the month following the date the notification is received by the State Controller's Office if the notice is received by the tenth of the month.

3. Enrollment Options

Employees will be permitted to choose a different level of benefit coverage according to their personal needs, and the State's contribution will depend on an employee's selection of coverage and number of enrolled dependents. The State agrees to provide the following CoBen benefits:

- a. If the employee is enrolled in both a health plan administered or approved by CalPERS and a dental plan administered or approved by CalHR, the health benefit enrollment party code will determine the allowance amount.
- b. If the employee declines a health benefit plan administered or approved by CalPERS and certifies that he/she has qualifying group health coverage from another source, the employee's dental benefit enrollment party code will determine the amount of the contribution.
- c. If the employee elects not to enroll in a health plan administered or approved by CalPERS and in a dental plan administered or approved by CalHR and certifies health and dental coverage from other sources, the employee will receive \$155 in taxable cash per month. Cash will not be paid in lieu of vision benefits and employees may not disenroll from vision coverage. Employees do not pay an administrative fee.

- d. Permanent Intermittent (PI) employees shall be able to participate only in the CoBen Cash Option and receive a six-month cash payment for the first control period of each plan year.
- e. If the employee elects not to enroll in a health plan administered or approved by CalPERS and certifies that he/she has qualifying group health coverage from another source, but enrolls in a dental plan administered or approved by CalHR, the employee may receive the difference between the applicable composite contribution and the cost of the dental plan selected and vision benefits, not to exceed \$130 per month. The State will pay the premium cost of the dental plan and vision plan. Cash will not be paid in lieu of vision benefits, and employees may not disenroll from vision coverage. Employees do not pay an administrative fee.
- f. If the monthly cost of any of the State's benefit plans (health, dental and vision) in which an employee elects to enroll exceeds the State's maximum contribution as set forth in Subsection A (1) above, the employee shall pay the difference on a pre-tax basis. If there is money left over after the cost of these benefits is deducted, the remaining amount will be paid to the employee as taxable cash.

At the conclusion of the flex plan year, the employee shall receive only those benefits contained in this Agreement.

- B. Eligible employees shall receive NDI payments at 60% of their full pay, not to exceed \$135 per week, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. - F. In accordance with the State's "return to work" policy, an employee who is eligible to receive NDI benefits and who is medically certified as unable to return to full-time work during the period of his/her disability, may upon the discretion of

his/her appointing power work those hours (in hour increments) which, when combined with the NDI benefit, will not exceed 100% of their regular "full pay." This does not qualify the employee for a new disability period under Subsection B above. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his/her position.

- G. If an employee refuses to return to work in a position offered by the employer, NDI benefits will be terminated effective the date of the offer.
- H. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for NDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.
- I. All other applicable California Department of Human Resources laws and regulations not superseded by these provisions will remain in effect.
- J. Upon approval of NDI benefits, the State may issue an employee a salary advance if the employee so requests.
- K. All appeals of a denial of an employee's NDI benefits shall follow only the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to the denial of an individual's benefits.

7.7 Enhanced Non-Industrial Disability Insurance (ENDI) - Annual Leave

- A. This ENDI provision is applicable only to employees participating in the annual leave program referenced in Section 6.3.
- B. ENDI is a program for State employees who become disabled due to non-work-related disabilities as defined by Section 2626 of the Unemployment Insurance Code.
- C. For periods of disability commencing on or after January 1, 1989, eligible employees shall receive ENDI payments at 50% of their gross salary, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless he/she has returned to his/her regular time base, and worked for at least ten (10) consecutive work days. Paid leave shall not be used to cover the ten (10) work days. Disability payments may be supplemented with annual leave, sick leave or partial payment to provide up to

100% income replacement. At the time of an ENDI claim, an employee may elect either the 50% ENDI benefit rate or a supplementation level of 75% or 100% at gross pay. Once a claim for ENDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period.

- D. The employee shall serve a seven (7) consecutive calendar day waiting period before ENDI payments commence for each disability. Accrued paid leave or CTO leave balances may be used to cover this waiting period. The waiting period may be waived commencing with the first full day of confinement in a hospital, nursing home or emergency clinic for at least one full day. A full day is defined as a 24-hour period starting at midnight.
- E. If the employee elects to use annual leave or sick leave credits prior to receiving ENDI payments, he/she is not required to exhaust the accrued leave balance.
- F. Following the start of ENDI payments, an employee may at any time switch from ENDI to sick leave or annual leave, but may not return to ENDI until that leave is exhausted.
- G. In accordance with the State's "return to work" policy, an employee who is eligible to receive ENDI benefits and who is medically certified as unable to return to full-time work during the period of his/her disability may, at the discretion of his or her appointing power, work those hours (in hour increments) which when combined with the ENDI benefit will not exceed 100% of his/her regular "full pay." This does not qualify the employee for a new disability period Subsection C above. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his/her position.
- H. If an employee refuses to return to work in a position offered by the employer, ENDI benefits will be terminated effective the date of the offer.
- I. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for ENDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.
- J. All other applicable California Department of Human Resources laws and regulations not superseded by these provisions will remain in effect.
- K. Upon approval of ENDI benefits, the State shall issue an employee a salary advance if the employee so requests. If the employee is on direct deposit, the direct deposit shall be cancelled.

- L. All appeals of an employee's denial of ENDI benefits shall follow only the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.
- M. Employees who become covered in the annual leave program while on an NDI claim shall continue to receive NDI pay at the old rate for the duration of the claim.
- N. Employees who do not elect the annual leave program will receive NDI benefits in accordance with Section 7.7.

Industrial Disability Leave will be paid in lieu of temporary disability benefits.
- B. Eligible employees shall receive IDL payments equivalent to full net pay for the first 22 work days after the date of the reported injury.
- C. In the event the disability exceeds 22 work days, the employee will receive 66 and 2/3% of gross pay from the 23rd work day of disability until the end of the 52nd week of disability. No IDL payments shall be allowed after two years from the first day (i.e., date) of disability.
- D. The employee may elect to supplement payment from the 23rd work day with accrued leave credits including annual leave, vacation, sick leave or compensating time off (CTO) in the amount necessary to approximate the employee's full net pay. Partial supplementation will be allowed, but fractions of less than one hour will not be permitted. Once the level of supplementation is selected, it may be decreased to accommodate a declining leave balance but it may not be increased. Reductions to supplementation amounts will be made on a prospective basis only.
- E. Temporary Disability (TD) with supplementation, as provided in Government Code Section 19863, will no longer be available to any State employee who is a member of either the CalPERS or STRS retirement system during the first 52 weeks, after the first date of disability, within a two year period.
- F. If the employee remains disabled after the IDL benefit is exhausted, the employee will be eligible to receive Temporary Disability benefits as provided in the Labor Code.

- G. All appeals of an employee's denial of IDL benefits shall follow only the procedures in the Government Code and Title 2. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.
- H. A dispute on whether an injury is job related may be grievable to the 2nd step of the grievance procedure. This procedure shall not apply to SCIF determinations.
- I. If the IDL benefits are to be terminated, the employee shall be notified by letter and advised as to the status of his/her health, retirement and miscellaneous deductions.

- K. A standard Supervisor's Report of Injury shall be submitted to the Health and Safety Officer within 24 hours after a job-related injury.
- L. The employer will comply with the notice requirements specified in the Labor Code. All disputes relating to notice requirements under the Labor Code are not grievable or arbitrable.
- M. Within five (5) work days after denial of IDL, the Health and Safety Officer shall provide the injured employee written notice of the reason for the denial.
- N. Claims for IDL benefits must be filed within one year from the date of the incident causing the injury.
- O. An employee who is required to undergo a medical examination in accordance with GC 19253.5 may request that the employer provide a copy of the medical report to a physician designated by the employee. This provision may not be subject to the grievance, arbitration, complaint or any other appeal procedure.
- P. Appeals with respect to medical examinations in accordance with GC 19253.5 may be filed with the State Personnel Board.
- Q. The State shall make reasonable effort to assign employees returning from industrial disability leave to the shift and days off they had prior to going on industrial disability leave. If the employee held a post and bid position, refer to Article 9.2.

7.9 Enhanced Industrial Disability Leave (EIDL)

- A. An employee who loses the ability to work as the result of an injury incurred in the official performance of his/her duties may be eligible for a financial augmentation to the existing Industrial Disability Leave benefits. Such injury must have been directly and specifically caused by an assault or in the restraining of

an assaultive patient/client or inmate/ward, except that the Department Director may waive these preceding restrictions. An employee who is determined to be eligible for EIDL shall receive EIDL benefits from the first full day of absence.

- B. EIDL will apply only to serious physical injuries and any complications directly related medically and attributable to the assault, or other injury as determined by the department director or designee. The benefit shall not be applied to either presumptive illnesses, stress-related disabilities or physical disabilities having mental origins.
- C. The final decision as to whether an employee is eligible for, or continues to be eligible for, EIDL shall rest with the department director or designee. The department may periodically review the employee's condition to determine an employee's continued eligibility for EIDL.
- D. This Section relating to EIDL is grievable only through the third step of the grievance procedure as the final step of appeal and is not subject to the arbitration procedure of this Agreement.
- E. EIDL eligibility and benefits may not exceed 52 weeks (365 calendar days) within two years of the first day of lost time. The employee's full gross salary is reduced by the amount of federal and state income tax and OASDI or Medicare to establish the "EIDL reduced gross." The intent of the EIDL program is to maintain, as closely as possible, the disabled employee's monthly take-home pay. The retirement contribution is computed and deducted based on the employee's full gross salary. The EIDL benefit is subject to miscellaneous payroll deductions. Additional withholding for taxes, deferred compensation/administrative charge, tax sheltered annuity or Flex-Elect will not be withheld from EIDL payments. EIDL payments will be reported in accordance with applicable tax law and Internal Revenue Service rules and regulations.
- F. EIDL shall continue beyond the physician's statement that the employee's condition is "permanent and stationary" providing the employee has initiated the disability retirement process.
- G. If the EIDL benefits are to be terminated, the employee shall be notified by letter and be advised as to the status of his/her health, retirement and miscellaneous deductions.

- J. The employer will comply with the notice requirements specified in the Labor Code. All disputes relating to notice requirements under the Labor Code are not grievable or arbitrable.

- K. Within five (5) days after denial of IDL or EIDL, the Health and Safety Officer shall provide the injured employee written notice of the reason for denial.
- L. Claims for EIDL benefits must be filed within one year from the date of the incident causing the injury.
- M. The State shall make reasonable effort to assign employees returning from enhanced industrial disability leave to the shift and days off they had prior to going on enhanced industrial disability leave. If the employee held a post and bid position, refer to Article 9.2.
- N. The State and the Union agree to conduct a joint study regarding those employees who were denied EIDL and those qualified for IDL as a result of indirect physical contact with an assaultive or resistive inmate/ward, client, or patient within the term of this agreement. The study will review those employees approved and denied for EIDL and the difference in outcome based upon the differing qualifiers for EIDL. The departments will meet quarterly with local Union representatives and report the findings to CalHR and CAPT Headquarters on a semi-annual basis.

7.10 Overtime Meal Allowance

- A. The State shall provide employees with a meal allowance, meal ticket, or provide the opportunity for a facility-prepared meal when the employee is required to work two (2) consecutive hours prior to or two (2) consecutive hours after the regular work shift. To be eligible for an overtime meal allowance on a holiday or regular day off, employees must work the total number of hours of their regular work shift and work either two consecutive hours prior to or two consecutive hours after the start or end of their regular work shift. For the meal expense incurred on the date the overtime was worked, the Department will reimburse up to \$8.00. To receive meal allowance reimbursement, receipts must be submitted within 60 days of the date the overtime meal was authorized.
- B. Should management be unable to provide a complete meal, an employee will be provided a meal allowance as stated above.

The meal ticket is good for a food purchase not to exceed \$8.00. Any amount over \$8.00 shall be paid by the employee. No change/refund shall be provided to the employee should the full \$8.00 not be spent on one purchase. The use of the meal ticket to purchase food shall constitute full and complete reimbursement.

Or, 2. The meal ticket may be submitted for reimbursement via the CALATERS system or State Travel Expense Claim form within 60 days.

7.11 Business, Travel and Relocation Policy and Reimbursements

The state agrees to reimburse employees for actual, necessary, and appropriate business and travel expenses in accordance with CalHR rules and PML #2016-010 (language reflected on pages 60-65).

Effective upon ratification of this agreement by both parties, lodging, transportation, and per diem expenses incurred will be reimbursed in accordance with the time frame requirements and rates set by CalHR. As established in PML #2006-021, personal vehicle mileage reimbursement rates will continue to be tied to the Federal Standard Mileage Reimbursement (FSMR) rates.

Business and Travel Policy and Reimbursement Rates

Each state agency shall determine the necessity for and the mode of travel to be reimbursed. In accordance with CalHR policy, reimbursement shall be for actual, necessary, and appropriate business and travel expenses incurred fifty (50) miles or more from home and headquarters.  - Employees may not claim lunch or incidentals on one-day trips.
 - When trips are less than 24 hours and there is no overnight stay, meals claimed are taxable.

Employees shall only use commercial lodging establishments such as hotels, motels, bed and breakfast inns, or public campgrounds that cater to the general public. Lodging will not be reimbursed without a valid receipt.

Reimbursement of lodging expenses in excess of specified amounts, excluding taxes, requires advance written approval from CalHR. CalHR may delegate approval authority to departmental Appointing Powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the state. Employee may not claim lodging, meal, or incidental expenses within 50 miles from his/her home or headquarters.

Long-term Travel:

Actual expenses for long-term meals and lodging substantiated by a receipt will be reimbursed when the employee, who at the onset of the assignment knows that he/she will be away from the home or headquarters area more than 30 days but less than one year, incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.

- Full Long-term Travel – In order to qualify for full long-term travel reimbursement, the employee on long-term field assignment must meet the following criteria:
 - The employee continues to maintain a permanent residence at the primary headquarters, and
 - The permanent residence is occupied by the employee's dependents, or

Employees, with their supervisor's approval, will receive full per diem for Friday, if, after completing their work shift, they remain at the job or LTA location past the Friday twelve (12)-hour clock period of time. Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change policy regarding the per diem clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

CalHR policy regarding an employee leaving the LTA location on personal business is as follows:

- The reference to leaving the LTA location for personal business and not claiming per diem or transportation expenses assumes that the employee stays overnight at a location other than the long-term accommodations.

For short-term out-of-state travel, reimbursement will be for actual lodging, supported by a receipt. Reimbursement will be for actual meal and incidental expenses in accordance with the in-state meal and incidental rates. If lodging costs exceed ninety dollars (\$90) per night, employees must first obtain and submit three (3) quotes in an effort to obtain the lowest cost lodging. Employee may choose any of the three establishments; however, reimbursement will be limited to the lowest of the three (3) quotes. Failure to furnish either quotes or lodging receipts will limit reimbursement to state meal/incidental rates. Out-of-Country Travel Policy:

Reimbursement for short-term out-of-country travel shall be for actual lodging, substantiated by a receipt. Each State agency shall determine the necessity for travel, and the mode of travel to be reimbursed. Claims for reimbursement of relocation expenses for new-hires to state service must be submitted no later than 6 months from the reporting date. No reimbursement will be issued prior to the employee reporting to the new headquarters.

Receipt Policy:

In the absence of a satisfactory explanation, the expense shall not be allowed.

ARTICLE 9 - WORKING CONDITIONS

9.1 Layoff and Reemployment

A. Application

Whenever it is necessary because of a lack of work or funds, or whenever it is advisable in the interest of economy to reduce the number of permanent and/or probationary employees (hereinafter known as "employees") in any State agency, the State may lay off employees pursuant to this Section.

B. Order of Layoff

Employees shall be laid off in order of seniority pursuant to Government Code sections 19997.2 through 19997.7 and applicable CalHR rules.

C. Notice

Employees compensated on a monthly basis shall be notified thirty (30) calendar days in advance of the effective date of layoff. Where notices are mailed, the thirty (30) calendar day time period will begin to run on date of mailing of the notice. The State agrees to notify CAPT no later than thirty (30) calendar days prior to the actual date of layoff.

D. Transfer or Demotion in Lieu of Layoff

The State may offer affected employees a transfer or a demotion in lieu of layoff pursuant to Government Code sections 19997.8 through 19997.10 and applicable CalHR rules. If an employee refuses a transfer or demotion, the employee shall be laid off.

E. Super SROA

Super SROA provides for placement of employees impacted by layoff to vacancies in the same bargaining unit and classification within the same geographic area. Employees in the same classification designated safety have eligibility to non-safety and vice versa.

Departments filling vacancies within a BU 18 classification impacted by layoff, demotion in lieu of layoff, or mandatory geographic transfer shall offer positions to impacted employees. Employees must meet the minimum qualifications for the vacancy being filled.

The geographic area is defined as the county in which the impacted employee works and those counties that surround the impacted employee's county.

Employees who attain employment under this section do so on a voluntary basis and are not subject to relocation.

F. Reemployment

In accordance with Government Code sections 19997.11 and 19997.12, the State shall establish a reemployment list by class for all employees who are laid off. Such lists shall take precedence over all other types of employment lists for the classes in which employees were laid off. Employees shall be certified from department or subdivisional reemployment lists in accordance with Section 19056 of the Government Code.

G. State Service Credit for Layoff Purposes

In determining seniority scores, one point shall be allowed for each qualifying monthly pay period of full-time State service regardless of when such service occurred. A pay period in which a full-time employee works eleven or more days will be considered a qualifying pay period except that when an absence from State service resulting from a temporary or permanent separation for more than eleven consecutive working days falls into two consecutive qualifying pay periods, the second pay period shall be disqualified.

H. Disputes

Any dispute regarding the interpretation or application of any portion of this layoff provision shall be resolved solely through the procedures established in Government Code section 19997.14. The hearing officer's decision shall be final and, upon its issuance, the CalHR shall adopt the hearing officer's decision as its own. In the event that either the employee(s) or appointing power seeks judicial review of the decision pursuant to Government Code section 19815.8, CalHR, in responding thereto, shall not be precluded from making arguments of fact or law that are contrary to those set forth in the decision.

9.2 Post and Bid

These BU 18 Post and Bid provisions apply to CDCR, CCHCS, DDS & DSH

Each facility shall maintain two (2) listings. The first will list eligible permanent full-time Psychiatric Technician/Psychiatric Technician Safety and permanent full-time Psychiatric Technician Assistant/Psychiatric Technician Assistant Safety positions identified as either Post and Bid or Management. The second will list eligible permanent full-time Senior Psychiatric Technician/Senior Psychiatric Technician Safety positions identified as either Post and Bid or Management.

The goal is to equitably divide positions between Post and Bid and Management. When dividing positions the following should be considered:

- By program and/or unit/residence/ward;
- Shift/watch;
- Days off, rotation pattern and/or cycle.

A. Eligible Positions included in Post and Bid & ratios:

Psychiatric Technician/Psychiatric Technician Safety and Psychiatric Technician Assistant/Psychiatric Technician Assistant Safety positions assigned within a residence/unit/ward working with inmates/patients/wards shall be split and designated as either Post and Bid or Management. Seventy percent (70%) shall be Post and Bid and the remaining thirty percent (30%) shall be management. The designated Post and Bid positions will not exceed seventy percent (70%) in each classification within any one program/unit/residence/ward.

Facilities that employ eight (8) or more Senior Psychiatric Technician/Senior Psychiatric Technician Safety employees shall participate in Post and Bid. Senior Psychiatric Technician/Senior Psychiatric Technician Safety positions assigned within a residence/unit/ward working with inmates/patients/wards shall be split and designated as either Post and Bid or Management. Forty percent (40%) shall be Post and Bid and the remaining sixty percent (60%) shall be management. The designated Post and Bid positions will not exceed forty percent (40%) within any one program/unit/residence/ward.

Positions excluded from Post and Bid & ratios:

- All current Senior Psychiatric Technician/Senior Psychiatric Technician Safety, Psychiatric Technician/Psychiatric Technician Safety and Psychiatric Technician Assistant/Psychiatric Technician Assistant Safety positions assigned to off-unit assignments, as of January 1, 2017.

If additional off-unit assignments are added, then seventy percent (70%) of the total number of new Psychiatric Technician or Psychiatric Technician Assistant positions and forty percent (40%) of the new Senior Psychiatric Technician position shall be designated as Post and Bid. However, the resulting number of new Post and Bid positions shall be equitably divided throughout the entire pool of off-unit assignments.

Probationary employees shall not be assigned to off-unit assignments.

- Positions participating in an Alternate Work Schedule program.

The following classifications are not subject to any of the provision of this Article:

Psychiatric Technician Training Candidate,
Psychiatric Technician Training Trainee,
Psychiatric Technician Training Apprentice,
Pre-Licensed Psychiatric Technician,
Psychiatric Technician Student, or
Psychiatric Technician Instructor.

B. Posted Positions

If a vacant position is designated as Post and Bid, it should be posted and it shall be in a prominent place where such notices are customarily posted on each program/residence/unit bulletin board and/or it may be advertised in each facilities' publication. The posting(s) shall be provided to the CAPT representative (designated by CAPT), prior to posting for review. Each notice shall remain posted for no less than seven (7) calendar days. Upon mutual agreement between management and CAPT, a "walk up" bid may be conducted. The posted notice shall be on a form designed for that purpose and shall include the following posting criteria if applicable:

1. Identification posting number;
2. Classification;
3. Program and unit/residence/ward;
4. Shift/Watch;
5. Days off, rotation pattern and/or cycle;
6. Deadline for bids to be submitted;
7. Location where bid is to be submitted and to whom.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be prepared in triplicate (or copied) with the employee submitting the original to the appropriate location identified on the bid notice, a copy to the Association, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

Employees may not rescind a bid once it has been submitted.

Posted positions shall be available for bid only to those full-time, permanent employees in the same civil service classification specified on the notice of post and bid. Employees on probationary status shall not be eligible to bid on posted positions.

Employees on Limited Duty, off work on EIDL, IDL, ENDI or NDI in excess of thirty (30) calendar days may bid on positions provided they assume the assignment within fourteen (14) calendar days of the award. By mutual agreement between CAPT and the State, the time to assume the assignment may be extended. If the employee is unable to assume the position it shall be awarded to the next senior bidder. Employees on Maternal/Paternal/Adoption Leave may bid on positions and will assume the position within one (1) calendar year from the start date of the leave. By mutual agreement between CAPT and the State, the time to assume the assignment may be extended. If the employee is unable to assume the position it shall be reposted on the next Post and Bid list.

D. Award and Assignment

1. Within fifteen (15) calendar days after the deadline for bid, the position shall be awarded in writing to the eligible bidding employee with the most seniority (in accordance with Article 9.3). A listing of the award(s) shall be provided to the CAPT representative (designated by CAPT), prior to award, for review. The award notice shall include a start date within the next fourteen (14) calendar days. However, the assignment (start date) may be delayed up to thirty (30) calendar days (or longer by mutual agreement between CAPT and the State) from the date of the award for the following reasons:
 - a. in emergencies;
 - b. where specialized training needs exist;
 - c. where severe staffing shortages exist in the employee's incumbent program; or
 - d. when there is a delay in activating the awarded position.

An employee changing shifts/watches as a result of a successful bid that results in a double shift may request to use leave credits, other than sick leave, to cover the first day of the new assignment. If the requested day is an available slot on the vacation calendar it shall be granted pursuant to Article 6.2(K).

An employee's bid vacation will be honored in the new assignment beginning January 1, 2018. The employee's vacation period shall not be reposted on vacated calendar. Ad Hoc days may be honored in the new assignment and will be reposted on the vacated calendar.

2. If no bids are received, management may temporarily assign staff for coverage needs. Management shall repost the position at least every three (3) months.
3. Employees who agree to take a temporary assignment (special assignment or out-of-class assignment) shall vacate their Post and Bid position if that assignment exceeds one-hundred and twenty (120) days and shall not be rotated out of the assignment to circumvent this Subsection.
4. Employees on IDL and EIDL holding a Post and Bid position shall be returned to their successful bid position.
5. For the purposes of this Subsection, when an awarded Post and Bid position is temporarily vacated, management has the authority to temporarily fill the position until the employee returns.

E. Deletions and Changes

To preserve the goal and intent of this Article and Post and Bid, Management shall make every effort not to delete and/or change an awarded Post and Bid position.

1. Prior to deleting or altering an awarded Post and Bid position, any comparable (same classification, same program and unit/residence/ward, same shift/watch or similar days off, rotation pattern and/or cycle) vacant Post and Bid position or Management position must be deleted or altered prior to impacting an employee holding a bid position.
2. If a bid position must be deleted, the incumbent shall be notified of the reason in writing at least fourteen (14) calendar days in advance and the employee may select any vacant Post and Bid position. This shall not count as a new bid.
3. If, because of coverage or other legitimate operational needs, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for the change in writing fourteen (14) calendar days in advance.
 - a. If the employee desires to remain in the altered position, he/she shall notify management in writing of that desire within five (5) calendar days and shall remain in the position. This shall not count as a new bid.
 - b. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

F. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis. The shift lead and/or supervisor shall determine which employee will be floated in accordance with that list. BU 18 employees shall only be floated to cover another BU 18 employee.

G. Denial of Bid

1. Employees who have an adverse action taken against them may lose their right to hold a bid position and/or to bid on any positions for a period of up to one (1) year from the effective date of the adverse action if the position or bid is meaningfully related to the cause of action. If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored.
2. Employees who have a pending charge of wrongdoing, which is also grounds for adverse action, may lose their right to bid and/or hold a bid position for a period of up to one (1) year from the date the employee is charged, if the position or bid is meaningfully related to the cause of action. A hearing before the Executive Director or designee is required prior to such denial.
3. Employees who receive yearly evaluations which have three (3) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months from receipt of the evaluation, subject to review in three (3) months. The employee must be advised of this at the time the evaluation is issued. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.
4. An employee shall retain his/her right to bid during an investigation of an allegation of wrongdoing.
 - a. If an employee under investigation is awarded a bid position, he/she shall vacate his/her previous position.
 - b. If the employee is on an administrative reassignment due to the investigation and cannot be assigned to the bid position, the assignment shall be delayed pending the outcome of the investigation.
 - c. Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State.
 - d. Employees who have been absolved of wrongdoing as stated above shall be moved to the awarded bid position.

H. Limits on Bid

1. An employee may not make more than one successful bid each twelve (12) months except:
 - a. If an employee's bid position is deleted or altered.

I. Nepotism

An employee may lose his/her right to hold and/or bid a position based on the department's nepotism policy. Representatives of the Association and the State shall meet and review the situation.

Nothing in this Subsection shall prohibit the employee and/or the Association from filing a grievance.

J. Administration

- a. At each facility, both CAPT and management shall designate an official who shall be responsible for the administration of the Post and Bid provision.
- b. Upon written request either party may request a meet and discuss regarding any problem or concern with the administration of the Post and Bid procedure. The meet and discuss will be held within thirty (30) calendar days of the request.
- c. Upon written request on a semi-annual basis, the post and bid administrator at each facility shall provide the CAPT representative (designated by CAPT) a report on the status of post and bid in Unit 18. This report shall include a record of all positions posted, bids received and awarded and positions that received no bid.
- d. CAPT and the State shall, upon written request of either party, meet to discuss exchanging a vacant Post and Bid position with a Management Discretion position. The exchange requires mutual agreement.

K. Disputes

Disputes concerning Post and Bid shall be grievable in accordance with Article 13.

9.3 Seniority

For purposes of this Agreement, "seniority" is defined as one point for each qualifying month of full-time State service.

Any ties in total months of state service seniority shall be broken by:

- a. The employee with the earliest date of hire will be considered the most senior;

- b. Last 4 of the SSN. The employee with the lowest number shall be most senior;
- c. If a tie still exists, it shall be broken by a lot.

9.4 Staffing

- A. The minimum adequate level of unit staffing required by the Department of Public Health is 1:8 AM, 1:8 PM, 1:16 NOC or its 24-hour equivalent. Before additional changes are made from the above ratios to a 24-hour equivalent, the State will meet and confer with the Association concerning the impact of such changes.
- B. The State agrees to staff units in their respective state hospitals and developmental centers no lower than the above minimum adequate levels of staffing unless exemptions are granted by the Department of Public Health. The State shall make every effort to include a minimum of two licensed employees on the NOC shift. In the event a BU 18 member is assigned duties that extend beyond his/her normal daily assignment(s), the shift lead and/or supervisor may need to prioritize the employee's duties.
- C. This Section is not subject to the arbitration clause contained in Section 13.1, but in no way modifies any existing final judicial decisions by a court of competent jurisdiction.
- D. Upon request of CAPT, a department shall establish a joint labor/management committee to review current practices for providing unit coverage during staff shortages due to 1:1 assignments and scheduled absences of level of care staff. The committee shall review regulations and facility policies for the purpose of developing recommendations regarding unit coverage. This committee may also work to implement staff registries for the purpose of addressing staff shortages. The committee shall consist of no less than two (2) representatives from Unit 18 and no less than three (3) representatives from department management. Employees shall suffer no loss of compensation as a result of participation in the labor/management meetings.
- E. A subcommittee of the labor/management committee may be convened at each facility identified by Unit 18. For purposes of the subcommittee, in lieu of the statewide representatives, CAPT may appoint two (2) facility representatives to participate and the facility may appoint three (3) representatives to participate.
- F. When an employee in good faith believes that the unit staffing is below the minimum adequate level as identified in 9.4 A. above, he/she will notify his/her supervisor or designee. The supervisor or designee will immediately investigate the situation and either appropriately correct the situation or proclaim the situation safe and direct the employee to proceed with his/her assigned duties.

If the employee still believes there is a violation of 9.4 A, the employee can immediately appeal that decision to the Executive Director, Chief Executive Officer, Superintendent or designee. The Executive Director, Chief Executive

Officer, Superintendent or designee shall respond in writing within two (2) business days. If the issue is not satisfactorily resolved, the employee may file an expedited grievance alleging a violation of 9.4 A. The expedited grievance process is as follows:

The expedited grievance shall be submitted directly to the Department. The grievance statement shall be specific, clear and concise as to why he/she believes that a violation of 9.4 A has occurred. The Department shall respond within three (3) business days of receiving the grievance. If the employee still believes the issue is not satisfactorily resolved, the grievance may be appealed through the grievance process up to the CalHR level.

9.5 Personnel File

- A. There shall be one official personnel file, and a supervisory work file. An employee's departmental personnel file shall be maintained in the facility's personnel office.
- B. An employee, and/or the CAPT steward or representative if properly authorized by the employee, may review his/her personnel file during regular personnel office hours, subject to operating needs of the personnel office. Upon prior approval of his/her supervisor, an employee and/or CAPT steward shall be granted a reasonable period of release time during personnel office hours to review the employee's personnel file. The personnel file may not be removed from the personnel office unless approved by the department head or designee. Copies of material within the personnel file shall be provided upon written request of the employee or, if properly authorized by the employee, the CAPT steward, subject to normal duplicating fees.
- C. Performance-related material, other than covered by Subsection H below, the subject of which has not recurred, shall have a removal date, not to exceed two (2) years.
- D. An adverse action, other than a termination, may be retained in an employee's official personnel file for up to three years, unless a shorter duration is stipulated by a settlement agreement.
- E. An employee may petition the Executive Director, Warden or designee to remove a recorded adverse action from the employee's official personnel file provided the subject of the adverse action has not recurred. A petition to remove shall not be unreasonably denied. The decision of the Executive Director, Warden or designee may be appealed through the grievance procedure to the Department Director or designee (2nd level) whose decision shall be final.
- F. There shall be only one (1) employee personnel file. Copies of material placed in the file will be provided to the employee, whenever possible, prior to placement in the employee's personnel file.

- G. Any materials in an employee's personnel file involving a wage garnishment order shall, upon request of the employee, be removed after three (3) years from the date of order or the date the order is no longer valid, whichever occurs first.
- H. Counseling memos, letters of instruction and work improvement memos shall contain an expiration date, not to exceed one year, at which time the employee may request the removal. When requested, the counseling memo shall be removed and given to the employee.
- I. No client, patient or inmate shall have access to official personnel files, supervisory working files or other employee files.
- J. Employee personnel files and supervisory files shall be confidential. Employees shall be notified within five working days of a subpoena or court order requesting release of information from official personnel files or other employee files.
- K. One file may be kept on each employee by the supervisor, in a locked, secure file. An employee, and/or the CAPT steward or representative if properly authorized by the employee, may review his/her supervisory working file during regular office hours, subject to the availability of the supervisor.
- L. The supervisor file may not contain medical reports and employee equal opportunity (EEO) records.

9.6 Out-of-Class Work

A. Definitions

1. An employee is working "out-of-class" when he/she continuously spends a majority (i.e., more than 50%) of his/her time over the course of at least two (2) consecutive work weeks performing duties and responsibilities associated with a higher level existing classification that do not overlap with the classification in which said employee holds an appointment.

Duties which are appropriately assigned to incumbents in the employee's current classification are not out-of-class. Duties appropriately assigned are based on the definition and typical tasks enumerated in the California State Personnel Board specification.

Assignments that do not substantially change the overall nature of an employee's work assignment shall not be considered out-of-class work. Training and Development assignments are not out-of-class work.

2. For purposes of this Article, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the highest range of the class in which the employee holds an appointment.

3. When an employee is performing the duties of a vacant position properly assigned to a higher class or the duties of an absent employee whose position is properly assigned to a higher class, the employee shall be considered to be working out of class.

B. Authorization and Rate of Pay

1. Notwithstanding Government Code section 905.2, 19818.8 and 19818.16, an employee may be temporarily required to perform out-of-class work by his/her department for up to one hundred and twenty (120) calendar days in any twelve (12) consecutive calendar months when it determines that such an assignment:
 - a. Is of unusual urgency, nature, volume, location, duration or other special characteristics; and,
 - b. Cannot be feasibly met through use of other civil service or administrative alternatives.
2. Departments may not use out-of-class assignments to avoid giving civil service examinations, or to avoid using existing eligible lists created as the result of a civil service examination.
3. In accordance with Subsection A (1), when an employee is assigned out-of-class work, he/she shall receive the rate of pay he/she would have received pursuant to 2 Cal. Code Regs 599.673, 599.674 or 599.676 if appointed to the higher classification for the duration of the assignment not to exceed one (1) year.
4. Out-of-class work may be discontinued by departments at any time; however, departments may not rotate employees in and out of out-of-class assignments to avoid payment of out-of-class compensation. Alleged violations of Subsection B, 4, may be filed through the grievance procedure up to the departmental level.

Out-of-class pay shall not be considered as part of the employee's base pay when computing the rate due upon promotion to a higher level.

C. Out-of-Class Grievances and Allocation Appeals

1. The grievance and arbitration procedure described in Subsection D below shall be the exclusive means by which alleged out-of-class assignments shall be remedied, including requests for review by the California Department of Human Resources referenced in Government Code section 19818.16 or the State Victim Compensation and Government Claims Board.
2. The grievance and arbitration procedure described in Subsection D below shall be the exclusive means by which alleged position allocation or

reallocation appeals shall be remedied, including those referenced in Government Code sections 19818.6 and 19818.20.

3. Employees may not separately file out-of-class grievances and position allocation or reallocation grievances pertaining to the same duties and responsibilities.
4. The only remedy that shall be available to grievants (whether claiming out-of-class work or position misallocation) is retroactive pay for out-of-class work. Said pay shall be limited to out-of-class work performed: (a) during the one hundred and twenty (120) calendar day period before the employee's grievance was filed; and (b) the time between when the grievance was filed and finally decided by an arbitrator. In no case, however, shall the pay exceed one (1) year.
5. Arbitrators shall not have the authority to order reclassification (reallocation) of a grievant's position or discontinuance of out-of-class work assignments.

D. Grievance Procedure and Time Limits

1. An employee's grievance initially shall be discussed with the employee's supervisor.
2. If the grievance is not resolved to the satisfaction of the grievant, a formal grievance shall be filed on a CalHR 651 (Job Description Form) provided by the State within:
 - a. Fourteen (14) calendar days after receipt of the decision rendered by the supervisor; or
 - b. Twenty-one (21) calendar days after the date the employee's duties allegedly changed such that he/she stopped working out of classification or his/her position became misallocated.
 - c. However, under no circumstances may the period in which to bring the grievance be extended beyond the twenty-one (21) calendar days in item b above.
3. Out-of-class and misallocation grievances shall be filed with a designated supervisor or manager identified by each department head as the second level of appeal in the grievance procedure in Article 13.
4. The person designated by the department head as the second level of appeal shall respond to the grievance in writing within forty five (45) calendar days after receipt of the grievance.
5. If the grievant is not satisfied with the decision rendered by the person designated by the department head at the second level of appeal, he/she may

appeal the decision in writing within fourteen (14) calendar days after receipt to the Director of the California Department of Human Resources.

6. The Director of the California Department of Human Resources (CalHR) or designee shall respond to the grievance in writing within sixty (60) calendar days after receipt of the appealed grievance.
 7. If the grievance is not resolved by CalHR, CAPT shall have the right to submit the grievance to arbitration within thirty (30) calendar days following receipt of CalHR's decision.
 8. Section 13.1 (K) Formal Grievance - Step 4 (Arbitration) shall apply to out-of-class and misallocation grievances except as otherwise provided in this Section.
- E. The arbitrator's award regarding out-of-class and misallocation grievances shall be final and binding on the parties. Said awards shall not be subject to challenge or review in any forum, administrative or judicial, except as provided in Code of Civil Procedure Section 1286.2 et seq.

9.7 Classification Changes

- A. When the State desires to establish a new Bargaining Unit 18 classification or modify an existing one that is in Bargaining Unit 18, the State shall notify CAPT in writing at least thirty (30) calendar days prior to the State's requesting State Personnel Board (SPB) action.
- B. If CAPT requests within seven (7) calendar days of the notice, the State shall meet with CAPT to discuss the proposed class specification. If CAPT does not respond to the classification notice, the classification proposal shall be deemed agreeable to CAPT and placed on the SPB's consent calendar.
- C. The State shall meet and confer, if requested, within seven (7) calendar days from the date the SPB approved the classification change, regarding only the compensation provisions of the classification.
- D. Neither the classification nor the salary shall be subject to the grievance and arbitration procedure in Section 13.1.

9.8 Adverse Actions

The State and CAPT agree that the cause or causes for an adverse action taken by the State, the notice to an employee affected by an adverse action taken by the State, and the affected employee's appeal rights shall conform to the statutes governing adverse actions. This Section, including any adverse action and alleged violations of notice and due process rights not specifically mentioned in this Agreement, shall not be grievable or arbitrable under the grievance procedure in Section 13.1 of this Agreement but shall be appealed to the State Personnel Board.

9.9 Notice of Shift Change

- A. Before an employee is required to change shifts, management will first make a reasonable effort to secure an acceptable volunteer within the same program where the operational need exists.
 - 1. "Acceptable volunteer" means an employee who is competent to perform the assignment and meets any necessary licensure requirements.
 - 2. At management's discretion, a volunteer may be rejected where approval would result in additional staffing shortages or overtime.
- B. Except in cases of emergency, as stated in 5.1, the State will provide Unit 18 employees with fourteen (14) calendar days advance written notice of permanent shift changes when the change is made at other than the employee's request. The notice shall include the hours of work and RDOs. An employee may request to waive the requirement for advance notice.
- C. Except in cases of emergency, the State will provide employees with seven (7) calendar days' advance notice of a temporary shift change when the change is made at other than the employee's request or concurrence. An employee may waive the requirement for advance notice. A temporary assignment shall not exceed thirty (30) calendar days. The State shall have discretion for covering the vacant or non-delivered position for the first six (6) consecutive work days without advanced notice. - B. The parties agree that the provisions of this paragraph shall apply only to matters which were not raised in negotiations and are not covered in this Agreement.

The parties recognize that during the term of this Agreement it may be necessary for the State to make changes in working conditions which are within the scope of negotiations. Where the State finds it necessary to make such changes, the State shall notify CAPT of the proposed change and meet and confer pursuant to the following paragraph prior to the implementation of the change, except in cases of emergency as provided in Government Code section 3516.5.

The parties shall meet and confer regarding the impact such working condition changes would have on the employees in Unit 18 when all three of the following exist:

 - a. A majority of the employees in a State facility; or

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted to mediation pursuant to Section 3518 of the Ralph C. Dills Act.

14.2 Duration

- A. The terms of this agreement shall go into effect on July 1, 2016 and shall remain in full force and effect through July 1, 2019.

The State shall not implement a furlough program or mandate a Personal Leave Program during the first year of this agreement, July 1, 2016 to June 30, 2017. Any furlough during the second, or third year of this agreement must be authorized pursuant to an act of the Legislature.

14.4 Continuous Appropriation

The State and CAPT agree to present to the Legislature as part of the MOU bill a provision to appropriate funds to cover the economic term of this agreement through July 1, 2019. This will maintain employee salaries and benefits in case of an untimely budget.

ARTICLE 15 – RETIREE HEALTH DENTAL BENEFITS

15.1 Prefunding of Post-retirement Health Benefits

The State and Bargaining Unit 18 hereby agree to share in the responsibility toward the prefunding of post-retirement health benefits for members of Bargaining Unit 18; and, agree that the foregoing concepts will be implemented as a means to begin to offset the future financial liability for health benefits for retired members.

- A. Beginning July 1, 2017, the State and Bargaining Unit 18 will prefund retiree Healthcare, with the goal of reaching a 50 percent cost sharing of actuarially determined total normal costs for both employer and employees by July 1, 2019. The amount of employee and matching employer contributions required to prefund retiree healthcare shall increase by the following percentages of pensionable compensation:

1. July 1, 2017: by 1.3 percent.
2. July 1, 2018: by 1.3 percent, for a total of 2.6 percent.

All bargaining unit members who are eligible for health benefits must contribute, including permanent intermittent employees. Bargaining unit members whose appointment tenure and/or time base make them ineligible for health benefits, such as: seasonal, temporary, and employees whose time base is less than half-time, do not contribute. The employee prefunding contribution for a permanent intermittent employee shall be based on a ratio comparing their annual scheduled hours of work in comparison to those of a corresponding permanent

employee for that position. Bargaining unit members not subject to OPEB prefunding shall begin contributing upon attaining eligibility for health benefits. New hires and employees transferring into Bargaining Unit 18 shall begin contributing immediately, unless they are not subject, as set forth above.

Contributions shall be withheld from employee salary on a pre-tax basis, except for employees receiving disability benefits that require contributions to be withheld post-tax as determined by the State Controller's Office. 3. Employees with multiple appointments subject to OPEB prefunding shall have contributions computed by combining all subject appointments, provided the results do not exceed the amount earnable in full-time employment, as follows:
 - a. Employees with a full-time appointment and an additional appointment (e.g., hourly), shall have contributions withheld from the full-time appointment only.
 - b. Employees with multiple part-time or hourly appointments, shall have contributions withheld from any/all appointments, up to the amount that would have been deducted had the employee held a full-time appointment.

If an employee has multiple hourly appointments, the highest pay rate will be used to compute what the deduction would be if the employee held a full-time appointment at that pay rate. For employees with a part-time and hourly appointment, the deduction amount will be computed based upon the part-time appointment's pay rate.

- D. Contributions will be deposited in the designated state subaccount for BU 18 of the Annuitant's Health Care Coverage Fund for the purpose of providing retiree health and dental benefits to state annuitants and dependents associated with BU18. As defined in Government Code Section 22940, a designated state

APPENDIX D – SPONSORSHIP

I. Calculation of rates of pay

Example 1: Position time base – full time. (Actual hours work variable. Hours scheduled by employer in accordance with school schedule and operational needs.)

Position salary	\$1,200 (salary x 1)
Regular rate of pay	\$ 6.92 (\$1,200 divided by 173.33)
Overtime rate	\$10.38 (\$6.92 x 1.5)
Guaranteed weekly pay*	\$276.93 [(\$1200 x 12) divided by 52]

Example 2: Position time base – $\frac{3}{4}$ time. (Actual hours worked variable. Hours scheduled by employer in accordance with school schedule and operational needs.)

Position salary	\$900 (\$1200 x .75)
Regular rate of pay	\$ 6.92 [\$900 divided by (173.33 x .75)]
Overtime rate	\$10.38 (\$6.92 x 1.5)
Guaranteed weekly pay*	\$207.69 [(\$900 x 12) divided by 52]

*Paid bi-monthly depending on the job classification and payroll system.

II. Overtime determination

Example 1 Full-time sponsorship with an anticipated twenty (20) hour per week work schedule

- Instance A Employee is scheduled and works twenty (20) hours per week during pay period. Employee receives guaranteed monthly pay.
- Instance B During one week, the employee works twenty (20) regularly scheduled hours and an additional eight (8) hours due to operational needs. Employee receives guaranteed monthly pay. No additional compensation is warranted as 20 + 8 is less than 40.
- Instance C During one week, the employee works twenty (20) regularly scheduled hours and an additional eight (8) hours because of operational needs. During this same week, the employee also attended seventeen (17) hours of clinical lab time at the sponsoring facility. The employee receives the guaranteed monthly pay and an additional five (5) hours of overtime pay. Overtime pay is required because 20 + 8 + 17 = 45 and the 5 hours over 40 are overtime hours.

Example 2 Three quarter ($\frac{3}{4}$) time sponsorship with a twenty (20) hour scheduled work week.

- Instance A Employee is scheduled and works twenty (20) hours per week during pay period. Employee receives the guaranteed monthly pay of a $\frac{3}{4}$ time position.

- Instance B During one week, the employee works twenty (20) regularly scheduled hours and an additional twelve (12) hours due to operational needs. Employee receives the guaranteed monthly pay and an additional two (2) hours pay at the regular rate of pay. This additional two (2) hours at the regular rate of pay is required because $20 + 12 = 32$ which is less than forty (40) but two (2) hours more than the thirty (30) hours provided for in the $\frac{3}{4}$ time agreement.
- Instance C During one week, the employee works twenty (20) regularly scheduled hours and an additional twelve (12) hours because of operational need. During this same week, the employee also attended 17 hours of clinical lab time at the sponsoring facility. The employee receives the guaranteed monthly pay, an additional 10 hours at the regular rate of pay, and 9 hours of overtime pay. The additional compensation is required because $20 + 12 + 17 = 49$ hours which is 10 hours more than the 30 required by the $\frac{3}{4}$ time position and an additional 9 over 40 requiring overtime compensation.
- Instance D During one week, the employee works 20 regularly scheduled hours and an additional 12 hours because of operational need. During this same week, the employee also attended 17 hours of clinical lab time at a training site other than the sponsoring facility. The employee receives the guaranteed monthly pay and an additional 2 hours at the regular rate of pay as in B above. This compensation is required because $20 + 12 = 32$ which is 2 more hours than required by a $\frac{3}{4}$ time position and clinical hours at sites other than the sponsoring facility are not included in the determination of when overtime is due.
